Van's Advantage

Message from the Executive Director

I am honored with the opportunity to begin my service as your Executive Director. As a lifelong Texan, I regard our great tennis traditions as the cornerstone of this fantastic sport and those traditions will fuel our efforts to grow the game. I look forward to the chance to meet, visit and talk tennis with many of you as this upcoming year unfolds.

Please enjoy your 2015 USTA Texas Tournament Schedule. Since 1998, this convenient guide has been provided to you in an effort to enhance your participation in the over 400 tournaments offered throughout the state this year. A special thank you is in order to all the volunteers and staff who have meticulously worked to

prepare this information. Additionally, to all the tournament directors, officials, volunteers and staff who make our tournament experience such a vibrant part of the Texas tennis landscape, a sincere thanks.

Considerable thought is put into the format of this booklet with the intention of providing a complete guide to Texas tennis. In addition to the tournament schedule, this booklet is complete with our section's constitution and bylaws, tournament regulations, point systems and information for players of all ages and abilities. As well, this same information is available on the USTA Texas website, www.texas.usta.com, in PDF form.

We continue to seek new ways to improve on our delivery of information to you and to that end we welcome your suggestions on how we can improve. Please email Derick Hackett at dhackett@texas.usta.com, as he will reply to your correspondence. We genuinely appreciate your thoughts and assistance in improving our message.

Our goal is and will continue to be directed at making your tournament involvement as positive of an experience as possible regardless of how often you compete.

Soon to come will be the 2015 Yearbook, which is the record of Texas' rankings, award recipients, volunteers and committees. Additionally, information and contacts for our tennis partner organizations in Texas such as the USPTA, the Tennis Museum and Hall of Fame, the Tennis Coaches Association, and the Tennis and Education Foundation are included in the yearbook. In summary, it's all things Texas tennis.

Thank you for your continued support of the Texas tennis family. Your questions, comments and observations are welcomed at vbarry@texas.usta.com

Competitive Corner

Message from the Director of Competitive Tennis

Welcome to the 2015 Tournament Schedule for USTA Texas. As in the past, we continue to offer this hard copy, in addition to the constantly updated online version, available at www.texas.usta.com. Both versions contain critical details about our 400-plus tournaments in this year's schedule. This book contains both the "Junior Know the Rules," and the Adult/Senior/Super Senior "Know the Rules." These documents can also be found on our website.

The success of the USTA Texas 10 and Under initiative continues. In 2015, Texas is again a national leader in percentage growth of 10 and Under competition. 2015 will see the addition of competitive opportunities for the 10 and Under players, as well as all juniors at the "entry level." We will further expand our Future Stars series which features play opportunities in the "Novice" division. We will also offer more of these events and locations, offering a Red Ball division for 8 and Under players, Green and Orange Ball divisions for our 10 and Under competitors, and the popular 14 and Under "Novice" division.

Now I wish to make my annual plea about an issue that continues to create challenges for all of us. That is the problematic habit of entering Junior Tournaments during the last hour prior to the entry deadline. Every year, players miss a very important event in their experience because of this ill-advised habit. You can enter most of our events several months before they occur. Whenever you enter, get in the habit of going to the tournament site **BEFORE THE ENTRY DEADLINE** and checking the applicant list, to ensure your registration went through. Please study this schedule, plan out your competitive year, and enter your events **EARLY**. For Junior SCMZ's, we have a strict **NO LATE ENTRY/NO EXCEPTIONS** policy. We are only able to assist you with an entry problem **PRIOR** to the entry deadline.

In the Adult/Senior/Super Senior schedule we continue to seek new opportunities to increase play. Last year, we continued our efforts toward growth in participation with innovative formats and funding models, and are continuing to seek ways to improve the tournament experience. If you have ideas or comments regarding this effort, please reach out to us here in the USTA Texas office.

The USTA Texas Competitive Tennis Department proudly maintains a dedicated and expert staff of committed professionals that welcome your input and feedback. If you have comments or suggestions, please feel free to communicate with us.

Thank you for your continued support of Texas Tennis.

Steve Cobb
Director of Competitive Tennis

THE RULES HAVE CHANGED!

IT'S A WHOLE NEW BALL GAME FOR KIDS TENNIS

10 and Under Tennis, using the QuickStart Tennis play format, is designed around the same concepts as Little League Baseball and other youth sports that are sized right for kids.

In a decision that will fundamentally change the future landscape of tennis in the United States, the USTA has required that all 10 and Under Tennis tournaments be played using a new combination, including the following:

- ☺ **Smaller courts**
- ☺ **Lighter and lower-bouncing balls**
- ☺ **Smaller and lighter racquets adjusted to a child's size**

This new play format designed for kids 10 and under makes it easier for kids to pick up a racquet and have fun right away – even if they've never played before. Now that's something to make a racquet about.

For more information visit
www.youthtennis.com

Kids 8 and Under

Court Size	Racquet	Ball	Net Height
36' x 18'	up to 23"	A red foam or red low compression felt ball moves slower, bounces lower and travels less distance.	2' 9"

Kids 10 and Under

Court Size	Racquet	Ball	Net Height
60' x 21' singles 60' x 27' doubles	up to 25"	An orange low compression felt ball moves a little faster and travels farther but still has a lower bounce than the standard yellow ball.	3'

10 and Under General Information

The 10 and Under system places an emphasis on participation and promotes play in red ball, orange ball, and green ball events. This system is structured to keep young players in divisions long enough to develop tactically and technically. A young player who is technically advanced and physically competent will be able to progress through the levels in a reasonable time period.

8 and Under Red Ball Division

a. Matches will be played in accordance with all six Red Ball Tennis elements:

1. Court size: 36-foot court
2. Racquet length: no longer than 23 inches
3. Net Height: 2 feet, 9 inches
4. Ball: red low compression balls
5. Age: 8 and Under
6. Scoring: 2 out of 3, 7-point tiebreaks (first to win 7 points by a margin of 2). Players shall change ends after each tiebreak.

10 and Under Orange Ball Division

a. Matches will be played in accordance with all six Orange Ball Tennis elements:

1. Court size: 60-foot court
 2. Racquet length: no longer than 25 inches
 3. Net Height: 3 feet at center; 3 feet, 6 inches at net posts
 4. Ball: orange low compression balls
 5. Age: 7 to 10 ½
 6. Scoring: 2 out of 3, 4-game sets (first to win 4 games) using no-ad scoring; 7-point tiebreak in lieu of 3rd set (first to win 7 points by a margin of 2)
- b. A player may elect to move to the Green Ball Division prior to the last six months of age eligibility by earning a specified number of participation credits or win credits.
- c. During the last six months of age eligibility, a player must move to the Green Ball Division if the other criteria are not met as this is a critical transition step for young players.

10 and Under Green Ball Division

a. Matches will be played in accordance with all six Green Ball Tennis elements:

1. Court size: 78-foot court
 2. Racquet length: no longer than 29 inches
 3. Net Height: 3 feet at center, 3 feet 6 inches at net posts
 4. Ball: green dot low compression balls
 5. Age: 7 to 11
 6. Scoring: 2 out of 3, 4-game sets (first to win 4 games) using no-ad scoring; 7-point tiebreak in lieu of 3rd set (first to win 7 points by a margin of 2)
- b. In order to move to 12s (Yellow Ball) prior to the month of eleventh birthday, a player must earn a specified number of participation credits or win credits.

The Texas 10 and Under system integrates USTA rule changes for the 10 and Under Tennis initiative, emphasizes participation and experience, and focuses on the development of young tennis players. The Texas 12s-18s system requires qualification from the ZAT level to the Championship level and from the Championship level to the Super Championship level. The 10 and Under system remains consistent with this structure by requiring a level of qualification to advance from Orange Ball to Green Ball and from Green Ball to 12s ZATs or 12s Champs.

TENNIS ETIQUETTE

HELPFUL INFORMATION FOR PARENTS/COACHES/SPECTATORS ATTENDING TENNIS TOURNAMENTS

The most important thing to remember is that you are here to observe! The match is between your player and the opponent.

THE TENNIS COURT: Parents, coaches and anyone associated with the player are not allowed on the tennis court at any time. Make sure your player has everything he/she needs before walking on the court. (Water, extra racquet, towel, snack)

COMMUNICATION WITH YOUR PLAYER: If your player speaks to you while on court, do not respond. Coaching of any kind is not allowed during match play, on a toilet/change of attire break, a 2-minute set-break, medical timeout, bleeding timeout, when players remain on court for a short stoppage of play such as during light rain or repair of the net or net strap, when a player leaves the court seeking the assistance of the official, or when equipment or clothing is being adjusted. Coaching is considered to be communication, advice, or instruction of any kind, audible or visible, to a player. Saying, "Move your feet" or "Hit to her backhand" is considered coaching; so are hand signals!

LINE CALLS: Spectators never make calls. A player shall not

enlist the aid of a spectator in making a call.

SCORING: Spectators may not volunteer advice on scoring. If there is a dispute between the players regarding the correct score, the players must settle the dispute themselves or with the assistance of a certified official.

CHEERING: Excessive cheering or clapping is not appropriate. Do not clap after an opponent's error such as a double fault or easy miss.

ATTITUDE: No abusive behavior (verbal or visual) towards a player, tournament director, or official will be tolerated. Poor behavior by the parents may also result in the player being penalized.

STANDARDS OF CONDUCT: All players and parents shall conduct themselves in a sportsmanlike manner both on and off the court. Players and persons who appear to be associated with a player (parents, coaches) are under a duty to encourage and maintain high standards of proper conduct, fair play and good sportsmanship. They are under an obligation to avoid acts which may be considered detrimental to the game of tennis.

2015 KNOW THE RULES—USTA Texas Adults, Seniors and Super Seniors

Tournament or Ranking Search

To find tournaments, view draws, etc., for Adults, Seniors, or Super Seniors – start at: www.texas.usta.com

Under “Adult Tennis;” “Tournaments / Rankings;” select option: “Searchable Schedule.”

If wanted, select the **All Tournaments** button. In the pull-down tabs, Under: National/Section/District, select **Texas**; (month, if wanted); **2015** Year; and the appropriate **Division** – like “Men’s 50 Singles” or “NTRP Divisions.” Click the **SEARCH** button. That will lead to the link for that specific group of tournaments. The drop down month search will keep the selection criteria, so other months with the same criteria may be searched.

Click on the tournament name to go to the tournament’s homepage.

To find Rankings for Adults, Seniors, or Super Seniors – start at: www.texas.usta.com

Under “Adult Tennis;” “Tournaments / Rankings;” Select “Rankings.” Then, under National/Section/District, select “Texas” - Year is “2015” (or other year); **Division**: scroll down until the division or group played is found. List Type is “*All List Types.”

Select the most recent list – Year-to-Date – or – 12-Month Rolling list (or other list).

Once you find the player’s name on the list, click on the name to see that Player Record.

There is also a place to change the order to “Name” order, for an alphabetical search.

Know the rules:

1. Players receive points in the main draws and consolation draws (if the consolation draw is held and played). In the main draw, a player or team that advances by default will receive credit and points for a win. In consolation matches, the player or team that advances by a default will receive credit and points for a win, as long as that player or team does not default their next match. Players that receive points in the main draw for a default win will not receive consolation points for a default win over that same opponent. Byes do not earn points in either draw.
2. A player or team who plays a tournament but does not win any matches will receive one point for that tournament.
3. In round robin matches, a player or team that plays a match or matches, but then defaults, that defaulted match will count as a loss for the defaulting player / team and as a win for the player / team that advances. It is recorded with no score.
4. In a round robin draw, a player or team that defaults for any reason other than lateness shall not play in subsequent matches and may not be declared the winner of the Round Robin. A player who is defaulted, retires, or creates a walkover shall finish lower than every player / team who has an identical match record.
5. If only two players or two teams enter an age division and that division is played, the two players or teams will receive 1st and 2nd points for playing. [Counted in both 12 Month Rolling Rankings and in Year to Date Rankings.] This structure does not automatically apply to 3 or more players (3rd &/or 4th places, etc.).

Age division rules:

6. A player (in singles) or a team (in doubles) whose age division does not make, but plays the next younger age division that makes is entitled to have their points counted in the originally entered age division. If no younger age division makes, but plays in the Open division, they are also entitled to have their points counted in the originally entered age division [in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).
7. If only one player (in singles) or team (in doubles) enters an age division, and plays in the next younger age division that makes (or the Open division if no younger age divisions make), then that player or team will receive 1st place points in that originally entered age division, no matter how they placed in the younger played division, even if they obtained no wins [counted in Year to Date Rankings]. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).
8. If only two players (in singles) or teams (in doubles) enter an age division and they are merged with a younger age division (or the Open division if no younger age divisions make) and plays in that division, 1st and 2nd place points will be awarded in the originally entered division (according to the order of finish of just the original age players in the younger played division). If those two players or teams placed equally in that played division, 1st and 2nd place points will be averaged so that each player or team will receive equal points in the originally entered division [in Year to Date Rankings]. This structure will include all who enter one age and are merged (and play) a younger age division. (Notification to the Texas Section Adult & Senior Ranking Coordinator is required. It is recommended that be done by e-mail at: NPerkins@texas.usta.com).
9. For these points in the originally entered age division, the player (in singles) or team (in doubles) must actually play a younger age (or Open) division to receive these points. Playing in a levels division, does not count as younger age division or Open division play.
10. One Category I National Tournament (i.e. Clay, Hard, Grass, and Indoor tournaments) may be counted in a player’s USTA Texas section record. They are counted as a 600 Point Tournament category. Also, one out of Section Category II National Tournament may be counted in a player’s USTA Texas section record. They are counted as a 400 Point Tournament category. Only one Cat. I and one Cat. II may be counted. (Note: The “in Section” Cat. II tournaments - Westwood & Lakeway - do not count as one of these Cat. II Tournaments).

[Credited in both 12 Month Rolling Rankings and in Year to Date Rankings]. Notification to the Texas section Adult & Senior Ranking Coordinator is required. It is recommended that notification be done by e-mail at: NPerkins@texas.usta.com).

11. In Senior and Super Senior Major Zones and Sectionals tournaments, some form of USTA sanctioned consolations must be offered in all singles and doubles divisions. This can be Voluntary Consolations, FMLC, Feed-In Consolations (FIC), etc. The consolation type will be published on the tournaments' homepage.

Levels / Open division rules:

12. If only two players or teams enter any levels or open division, and that division is played, the two players or teams will receive 1st and 2nd place points for playing. No other credit or points will be available for players that are merged into another levels division. That is, credit [and points] will be awarded only in the played division, not in a different originally entered levels or open division.

In Adult Divisions: A player's "best 5" tournament results in singles divisions and the "best 5" tournament results in doubles divisions in a Ranking period are counted. A player can play as many events as he/she wants, but only the results from the "best 5" in each division will be used to determine the rankings.

Playing additional tournaments cannot hurt your record.

2015 ELIGIBILITY RULES AND REQUIREMENTS

1. The top 8 ranked players from each division [and in levels divisions, players must be eligible – see rule #2] will be selected based on the **2015 Selection List** rankings. This list will include the prior 12 months calculated to include the adult sanctioned tournaments played from Sept. 15, 2014 through Sept. 14, 2015; **excluding** the **Simply the BEST - 2014 Texas Adult Masters Championships** tournament; but will include the 2015 Texas Adult Sectionals scheduled for Sept. 11-13, 2015.
2. **ELIGIBILITY for LEVELS divisions:** Self Rated players will not be eligible to play and must have a Year End Rating to be eligible for this tournament. **THE ONLY EXCEPTIONS:** (a) **The 2.5 DIVISION**, who had to self-rate to begin playing. The Tournament Committee has the right to disqualify any that are playing outside that level. (b) If the player was rated as a **"T"** - Tournament Exclusive Year End Rating, or an **"M"** - Mixed Exclusive Year-end Rating at the end of the prior year, and then became an **"S"** Self-rated player in the current year, due to entering into League play. The player must send an email to request a **"History Verification Waiver Request"** to NPerkins@texas.usta.com, no later than the entry deadline. Requests are not accepted after the entry deadline due to player selections will have already begun. The historical rating (T or M) must be the same level or lower, as the current self rating and entered level.
3. Players must enter online and must enter prior to the entry deadline to be eligible for this tournament. All players may enter, but only the top 8 eligible and selected applicants will be charged the entry fee.
4. If there is a tie in eligible points, it will be broken first by head-to-head play, second, by the best win/loss ratio of matches actually played, third, by the highest point win in a single tournament. The Tournament Committee shall then use a random drawing among the remaining tied players to determine their order of entry.
5. Doubles are ranked individually and the top 8 players (who enter) can pick and choose a partner. That chosen partner must have played in at least one Texas Section sanctioned tournament within the 12 month ranking year in that category (levels/age, etc.), in which they are entering/have entered. However, they are not required to have played with that partner in a TX Section sanctioned tournament. (Self Rated eligibility rules apply to both partners in levels divisions.)
6. Each division will be a round robin (pool/play). That is, each division will be divided by ranking position into two groups of four, to play a round robin. Winners of each pool, within each division, then compete for the Championship.
7. All matches, excluding FINALS, will consist of best 2 out of 3 sets with a match tie-break to determine the 3rd set. **FINALS ONLY WILL BE PLAYED BEST OF 3 TIE-BREAK SETS.**

An annual meeting of the Members shall be held in the month of December of each year or during the first sixty (60) days of the following year, at the discretion of the President. Except as otherwise provided in these Bylaws, Robert's Rules of Order shall be the rules of order for all meetings of the Members of the Corporation and all meetings of any committee or task force of the Corporation. Each Member having a voting right under the USTA Bylaws or the Corporation's Constitution shall be entitled to one vote on each matter submitted to a vote of the Members and may have one delegate admitted to the annual meeting, either in person or by proxy.

In addition to the electing of the members of the Executive Committee at the annual meeting, the Members or their delegates shall be entitled to propose for presentation to the Executive Committee for the ensuing year any programs or changes which the Members or their delegates by majority vote agree to recommend. At least sixty (60) days prior to such annual meeting, any Member desiring to have a recommendation voted upon shall submit such recommendation in writing to the President, and the President shall cause all such recommendations so received to be placed upon the agenda of the meeting. Final adoption of the recommendation shall be at the discretion of the Executive Committee, but the Executive Committee shall only reject such recommendation for good cause. The annual meeting shall be presided over by the

then-sitting President.

Member meetings may be held by mail, electronic transmission, or in person.

Section 5. Special Meetings of the Members. A special meeting of the Members may be called at any time, at the discretion of the Executive Committee, and at least fifteen (15) days notice thereof shall be mailed to each voting Member of the Corporation (as determined by the Corporation's bylaws or constitution) by the secretary, stating the object of the special meeting. Only those matters specified in the notice shall be considered at such special meeting.

Section 6. Quorum. At all meetings of the Members of the Corporation, one-tenth (1/10) of the total voting strength shall constitute a quorum, and a majority of such persons having voting authority present at such meeting shall control on all questions unless otherwise provided by law or in the Constitution or in these Bylaws.

Section 7. Proxies. A Member entitled to vote at a meeting of Members of the Corporation may vote by proxy. All proxies must be in writing, must bear the signature of the member giving the proxy, and must specify the date on which they are executed. No proxy is valid after eleven (11) months from the date of its execution, unless the proxy specifically states a later date. Proxies are not valid if they purport to be valid to an indefinite date in the future. All proxies must be received by the Corporation on or before the deadline specified in the meeting notice. Persons named to cast the proxy vote must be present in order to do so. A credentials committee comprised of the President, Secretary and Treasurer, or their respective designees, shall determine the validity of any proxies received. Votes validly cast by proxy shall be counted toward the establishment of a quorum.

Section 8. Resignations, Expulsions and Suspensions. Resignations, expulsions and suspensions of Members shall be as provided for in the Constitution, Bylaws, and Rules and Regulations of the USTA.

ARTICLE IV: EXECUTIVE COMMITTEE

Section 1. General Powers. The affairs of the Corporation shall be managed by an Executive Committee.

Section 2. Composition of Executive Committee. The Executive Committee shall consist of twelve (12) persons who shall be elected by the Members of the Corporation, of which four (4) such persons shall be elected annually, plus (i) the Officers of the Corporation, (ii) each past president of the Corporation, and (iii) four (4) other individuals appointed by the President of the Corporation (the "Presidential Appointees"), each of whom shall serve a term concurrent with the term of office of the President, subject to the approval of the Executive Committee.

The Officers of the Corporation and the four (4) Presidential Appointees, shall, for all purposes, be considered as members of the Executive Committee during their tenure of office or term, as applicable.

Section 3. Election and Term. Of the twelve (12) Executive Committee members elected by the Members of the Corporation, four (4) shall be elected each year for a three (3) year term to replace four (4) members whose terms expire during that year. Of the four (4) members to be elected during any given year, each must be presented for nomination by a Qualified (as hereinafter defined) Community Tennis Association (CTA) from his or her respective zone with the restriction that no more than two (2) elected Executive Committee members at a time be from the same Qualified CTA, and one (1) member shall reside in each of the four (4) zones within the TSA that are differentiated as follows:

Northeast: All persons residing in an area whose postal ZIP code begins with 75, plus those persons residing in an area whose postal ZIP code begins with 766 and 767.

Northwest: All persons residing in an area whose postal ZIP code begins with 79 or 76, except those persons residing in an area whose postal ZIP code begins with 765, 766, 767, and 768.

Southeast: All persons residing in an area whose postal ZIP code begin with 77.

Southwest: All persons residing in an area whose postal ZIP code begins with 78, plus those persons residing in an area whose postal ZIP code begins with 765 or 768.

Any Executive Committee member elected to represent any particular zone shall be a resident of that zone, as determined under Article III of these Bylaws. No person shall be eligible for successive terms as a member of the Executive Committee, except the Officers of the Corporation, Presidential Appointees and Past Presidents.

The term "Qualified Community Tennis Association" and "Qualified CTA" shall mean any CTA that has been designated as "qualified" by the Corporation.

Section 4. Removal. Any member of the Executive Committee may be removed for any reason and at any time at a regular or special meeting of the Executive Committee called for such purpose.

Section 5. Vacancies. Any vacancy in the Executive Committee, however created, shall be filled by a majority of the remaining members of the Executive Committee at the next regular or special meeting of the Executive Committee, even though a quorum is not present, for the unexpired term; provided, however, in the event of a vacancy among the Presidential Appointees, the President shall appoint a person to fill such vacancy, subject to the approval of the Executive Committee.

Section 6. Meetings. The Executive Committee shall hold two (2) regular meetings each year on dates as follows: (1) in June or July (the exact date to be determined by the President of the Corporation and notice thereof provided to all members of the Executive Committee at least ten (10) days prior to the scheduled date), and (2) immediately following the annual meeting of the Members. The then-sitting Officers shall preside at the meeting immediately following the annual meeting of the Members and shall then install the newly elected members of the Executive Committee.

Except as provided above, no notice shall be required for any regular meeting of the Executive Committee, and notice of any other meeting may be waived in writing either before or after the meeting. Attendance at any meeting shall constitute waiver of notice except where such attendance is solely to object to the validity of such meeting.

Meetings may be held by mail, electronic transmission, or in person.

Section 7. Special Meetings. The President may, or at the request of any three (3) members of the Executive Committee shall, call a special meeting of the Executive Committee by giving at least five (5) days written notice to each member of the Executive Committee of the time and place of the meeting. The notice shall also state the subjects to be considered at such meeting, but the Executive Committee may consider, at any special meeting, any and all questions that could be considered at any regular meeting.

Section 8. Quorum. At least ten (10) Executive Committee members shall constitute a quorum at any meeting of the Executive Committee; provided, however, at least five (5) of the Executive Committee members elected by vote of the Members must be included in such number in order for a quorum to be established. At any meeting of the Executive Committee at which a quorum is established, approval of any matter by a majority of the Executive Committee members present at such meeting shall constitute approval of such matter by the Corporation. Attendance must be in person and may not be by proxy.

Section 9. Voting Rights. On any proposal, election or other matter on which the Corporation has a right to vote as a section of the USTA, including, but not limited to matters to be decided at the annual meeting of the USTA or any special meeting thereof, the Corporation shall cast the vote of the Corporation as shall be determined by the Executive Committee. The Executive Committee may delegate this determination to the Management Committee and/or the USTA Delegate or alternate delegate.

Section 10. Proxy. Voting at the Executive Committee meetings may not be by proxy.

ARTICLE V: COMMITTEES

Section 1. Committees. The Executive Committee may, from time to time, designate individuals to constitute such committees that shall have and may exercise such powers as the Executive Committee may determine in accordance with the Corporation's Articles of Incorporation, Bylaws and Constitution.

The Nominating Committee shall function from year to year, but its membership is governed as hereinafter provided. From time to time, as deemed necessary or convenient, the President may appoint or authorize the selection or appointment of committees to perform delegated functions and to perform such

other functions as may be deemed appropriate for committee action. All members of the Executive Committee, and of all other committees of the Corporation, must be individual members, in good standing, of the USTA.

Section 3. President as Committee Chairperson.

The President shall be a member of all committees, except the Nominating Committee, and shall serve as Chairperson of each committee, except the Nominating Committee, unless he or she designates another Chairperson. The Chairperson of each committee shall preside at all committee meetings and be responsible therefor (except that, when necessary, such Chairperson may appoint another member of the committee to preside at a committee meeting or be responsible therefor); give notice of all meetings; communicate and confer with all committee members; and where necessary or convenient, prepare and submit a report of any action taken by such committee.

Section 4. Management Committee. The day-to-day operation of the Corporation may be managed by a Management Committee composed of the Officers of the Corporation.

Section 5. Nominating Committee. The Nominating Committee shall propose nominees for election as Officers of the Corporation and as members of the Executive Committee. The method of election of the Nominating Committee, and its express duties and governing procedures, are as follows:

(A) Members. The Nominating Committee shall have five (5) members: one member from each of the four (4) geographic zones of the Corporation, as defined in the USTA Texas Bylaws, and the immediate past USTA Delegate of the Corporation, who shall serve as Chairperson of the Nominating Committee. Should the immediate past delegate be unable to serve, the next most recent past President of the Corporation who is available shall serve. At the end of its term, but no later than November 1st of every even numbered year, each sitting Nominating Committee shall select nominees to replace the members of such sitting Nominating Committee. The Executive Committee shall then either ratify or reject the election of such nominees to the Nominating Committee at the Executive Committee meeting to be held immediately after the Corporation's annual Member meeting. A written report naming the nominees for Nominating Committee membership shall be filed with the Secretary of the Corporation no later than thirty (30) days prior to the Corporation's annual Executive Committee meeting for the relevant odd year so that the proposed nominees may be listed in the notice of such annual meeting. If the Executive Committee determines that the election of a nominee(s) for membership on the Nominating Committee should not be ratified or approved, the Executive Committee shall, by majority vote of Executive Committee members present at a meeting at which a quorum is present, select an alternative person(s) to serve on the Nominating Committee.

(B) Term. Each member of the Nominating Committee shall serve for a term of two (2) years. No person may serve consecutive terms on the Nominating Committee; provided, however that to ensure

continuity and an historical knowledge base, one (1) member of the Nominating Committee may be elected to serve consecutive terms, but only for two (2) consecutive terms, as long as that member is not from the same geographic zone of the Corporation as the incoming Chairperson for the Nominating Committee. While serving on the Nominating Committee, no member of the Nominating Committee shall be nominated for election as an Officer of the Corporation and/or a member of the Executive Committee.

(C) Duties.

(1) The Nominating Committee shall select nominees to be elected to the Executive Committee of the Corporation by the Members. It will obtain candidates from Qualified CTA's from each of the four (4) Zones defined in Article IV, Section 3. It shall obtain from each proposed nominee his or her consent in writing to be nominated and to serve if elected, and shall file a written report naming the proposed nominees with the Secretary of the Corporation no later than thirty (30) days prior to the annual Member meeting, so that the proposed nominees may be listed in the notice of the annual Member meeting for that year.

(2) The Nominating Committee shall also select nominees for Officers of the Corporation for the following two years. It shall obtain from each proposed nominee his or her consent in writing to be nominated and to serve if elected; and shall file a written report naming the proposed nominees with the Secretary of the Corporation no later than thirty (30) days prior to the semiannual meeting of the Executive Committee to be held in June or July, so that the proposed nominees can be listed in the required meeting notice.

(3) The Nominating Committee shall also select nominees to fill unexpired terms of any Executive Committee members unable to serve. All nominees selected by the Nominating Committee for any office or position shall be subject to applicable election requirements set forth in the Corporation's Constitution and these Bylaws.

(D) Governing Procedures. It is the express duty of the Nominating Committee and its members to select the most qualified nominees for election to an office or position with the Corporation. Each candidate for nomination as an Officer of the Corporation, or as a member of the Nominating Committee, shall be required to submit a written resume showing multi-year involvement with the Texas Section for review by the Nominating Committee, otherwise such person shall not be considered for nomination. Each alternating year the Nominating Committee shall publish written notice in an official Corporation publication that it is seeking candidates for nomination as Officers of the Corporation and members of the Nominating Committee, as applicable, and that the resumes of such candidates must be received by the Nominating Committee no later than: (x) April 1st of even numbered years for Nominating Committee candidates; and (y) October 31st of odd-numbered years for Officer candidates. These deadlines may be extended by as much as sixty (60) days if deemed appropriate by the Nominating Committee. The Nominating Committee shall provide each such

candidate with an opportunity to interview personally with the Nominating Committee. Such interviews shall be conducted as follows: (x) with respect to Nominating Committee Candidates, during the Executive Committee's semiannual meeting held in June or July of even numbered years; and (y) with respect to Officer candidates, in even numbered years during the annual Executive Committee meeting. The Nominating Committee shall select each nominee for any office or position with the Corporation by recorded majority vote of those members constituting a quorum. Any three (3) members of the Nominating Committee shall constitute a quorum. The Chairperson of the Nominating Committee shall vote only in the case of a tie vote among other members. Except as otherwise provided herein, the Nominating Committee may conduct its business by mail, electronic transmission or in person.

(E) Vacancies. Other than a vacancy with respect to the Chairperson (which shall be filled as provided Section 5(A) of Article V above), a vacancy of the Nominating Committee shall be filled by a majority of the remaining members, even though the remaining members may be less than three (3) in number.

(F) Miscellaneous. Except for matters expressly addressed in this Section 5 of Article V, the business and proceedings of the Nominating Committee shall be governed by the provisions of the Constitution, Bylaws, rules and policies of the USTA which govern the USTA Nominating Committee.

Section 6. Committee Meetings. Meetings of any committee of the Corporation (including, without limitation, meetings of the Executive Committee) may be held by mail, electronic transmission, conference call or in person. Visitors shall not participate in the meetings unless requested to do so by the presiding Officer or by a majority of the committee members present.

ARTICLE VI: OFFICERS

Section 1. Number, Titles and Term of Office. At its semi-annual meeting in June or July of each even numbered year, the Executive Committee shall elect Officers as follows: President, three (3) Vice Presidents, Secretary, Treasurer, USTA Delegate, and Chairperson of the Corporation's Nominating Committee to serve for the ensuing two calendar years beginning January 1 of the odd numbered years. If the Corporation's outgoing President is available and willing to serve as the USTA Delegate, he/she will automatically be considered for nomination to the office of USTA Delegate by the sitting Nominating Committee. If the Corporation's outgoing USTA Delegate is available and willing to serve as the Chairperson of the Nominating Committee, he/she will automatically be nominated to act as Chairperson of the Nominating Committee by the sitting Nominating Committee. Compensation, if any, for each Officer shall be fixed by the Executive Committee. The Officers elected in June or July shall be entitled to attend all Executive Committee meetings held prior to their installation and shall be given notice of any such meeting where notice is required.

Section 2. Removal. The Executive Committee, at any regular or special meeting called for that purpose, may remove from office any Officer, for any reason and at any time.

Section 3. Vacancies. In case one or more vacancies shall occur in the elected Officers, the remaining Management Committee members shall nominate the replacement(s) and the Executive Committee shall, by majority vote of committee members present at a meeting at which a quorum is present, elect a successor(s) for the unexpired term(s).

Section 4. Powers and Duties of the President. At all meetings of the Executive Committee and the Corporation, it shall be the duty of the President to preside, to preserve order and to appoint all committees. The President shall be a member of all committees, except the Nominating Committee. All Officers shall assist the President in performance of his or her duties.

Section 5. Powers and Duties of the Vice Presidents. During an absence of the president, a vice president shall exercise all power of the president. The order of designation to act shall be (1) Vice President Administration, (2) Vice President Competitive Tennis, and (3) Vice President Recreational Tennis.

Section 6. Powers and Duties of the Treasurer. The Treasurer shall keep an account of all moneys received and paid. The Treasurer shall liquidate all properly authorized bills against the Corporation and shall report, in writing, the state of the finances at the annual Member meeting and at such other times as may be required by the Executive Committee. The Treasurer shall also be responsible for the preparation and submission of all tax reports and other required financial reports.

Section 7. Powers and Duties of the Secretary. The Secretary shall keep the minutes of the annual Member meeting and the Executive and Management Committee meetings. A copy of these minutes shall be filed at the Corporation's principal office.

Section 8. USTA Delegate. The USTA Delegate shall attend regular or special meetings of the USTA and represent the Corporation at such meetings. The Delegate shall exercise his/her judgment on matters considered at such USTA meetings, except that the Delegate shall be bound by any instructions given by the Executive Committee.

Section 9. Additional Executives. The Corporation may employ an executive director/secretary and other employees as determined by the Executive Committee. The duties of the employees shall be as prescribed by the Executive Committee, with the President being responsible for their immediate supervision.

ARTICLE VII: AMENDMENTS

These Bylaws may be amended by a majority vote of members of the Executive Committee present and voting at any meeting of the Executive Committee at which a quorum is present, provided that at least ten (10) days prior to any such meeting, written notice of the meeting and a copy of any proposed amendments have been mailed to each member of the Executive Committee. Any proposed amendments

to be considered by the Executive Committee must be submitted in writing to the Secretary of the Corporation at least thirty (30) days prior to the Executive Committee meeting at which they are to be considered. Proposed amendments to be made by the Executive Committee may only be submitted by a member of the Executive Committee or by the chairperson of a committee of the Corporation (provided that the Corporation's committee has, by a majority vote, specifically authorized the chairperson to do so at least thirty (30) days prior to the Executive Committee meeting at which they are to be considered). The Executive Committee shall consider no other proposed amendment.

In between regular meetings of the Executive Committee, these Bylaws may also be amended by a majority vote of members of the Management Committee present and voting at any meeting of the Management Committee at which a quorum is present. A copy of each amendment made by the Management Committee shall be sent to each member of the Executive Committee within thirty (30) days after such action. The Management Committee action in amending these Bylaws must be approved by a majority vote of the Executive Committee, where a quorum exists, at the next-scheduled Executive Committee meeting for such amendment to become permanent.

The Constitution and Rules Committee, in consultation with the President, may make language and stylistic changes to the Bylaws considered advisable by them to implement the intent of the Bylaws and may make conforming changes to avoid inconsistencies. Such changes shall be reported to the Executive Committee within thirty (30) days after such action and are subject to repeal by a majority vote of the Executive Committee at the next-scheduled Executive Committee meeting.

ARTICLE VIII: INDEMNIFICATION

Subject to the determination of the Executive Committee required pursuant to Article 1396-2.22A(F) of the Act, the Corporation shall indemnify any person who was, is, or is threatened to be made a party to a proceeding (as hereinafter defined) by reason of the fact that he or she (a) is or was a director, committee member or officer of the Corporation or (b) while a director, committee member or officer of the Corporation, is or was serving at the request of the Corporation as a director, committee member, officer, partner, venturer, proprietor, trustee, employee, agent, or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, to the fullest extent permitted under the Act, as the same exists or may hereafter be amended. Any repeal or amendment of this Article VIII shall be prospective only and shall not limit the rights of any such director, committee member or officer or the obligations of the Corporation with respect to any claim arising from or related to the services of such director, committee member or officer in any of the foregoing capacities prior to any such repeal or amendment to this Article VIII. Such right shall include the right to be paid by the Corporation expenses (including, without limitation, attorneys'

fees) actually and reasonably incurred by him in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Act, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall also be entitled to be paid the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense is not permitted under the Act, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Executive Committee or any committee thereof or established thereby, independent legal counsel, or members) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor any actual determination by the Corporation (including its Executive Committee or any committee thereof or established thereby, independent legal counsel, or members) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advance is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of his or her heirs, executors, administrators, and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, bylaw, resolution of members, directors or executive committee, agreement, or otherwise.

The Corporation may, in the sole and absolute discretion of the Executive Committee, also indemnify any employee or agent of the Corporation to the fullest extent permitted by law.

As used herein, the term "proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitral, or investigative, any appeal in such an action, suit, or proceeding, and any inquiry or investigation that could lead to such an action, suit, or proceeding.

Effective as of February 15, 2009.

 2. Entering a tournament with the intention of withdrawing if the player's entry is accepted in another tournament, unless the tournament committee for the tournament in which the player has entered understands the situation and concurs with such contemplated action.
 3. Entering a tournament and then failing to appear for a match (whether in the qualifying, main or consolation draw), except for illness, injury or personal emergency with the exception of Super Championship Major Zones which have zero tolerance.
 4. Defaulting in a tournament (whether during the course of a match or prior to the commencement of a match), except for illness, injury or personal emergency. The tournament committee may, if it so desires, require that any player who withdraws, fails to appear, or defaults after

commencement of play because of illness or injury must obtain and present verification of such illness or injury from a doctor (medicine or osteopathy). If the tournament committee desires to impose such an additional requirement, the tournament committee must, at the tournament's expense, provide the services of a doctor to examine such player (it being understood that the player may elect, at his or her own expense, to obtain the service of another doctor, in which case the player must do so without delay), and notice of such requirement must be included in the materials furnished to players in connection with their entry into the tournament.

8. Causing the tournament director trouble by refusing reasonable requests on his/her part or causing any serious, deliberate interruption of the smooth flow of the tournament. Any parent, coach or other person who, on behalf of a player before, during or after a match, abuses an official or opposing player will be warned and directed by the chair umpire or referee to desist. If the abuse continues, the person may be directed to leave the match area, and if this is not complied with, the player may be defaulted from the match in progress or, thereafter, in his next match. In case of flagrant abuse, the directive to leave may be given without warning. Any such instance should be reported to the Discipline and Grievance Committee.
9. Intentionally falsifying birth date and participating in wrong age division. Birth certificates may be requested by tournament directors if a problem exists and proof cannot be determined otherwise.
10. Associating with professional gamblers.
11. Betting or acting as a bookmaker on matches.

- D. If a tournament official, player or spectator observes a violation of these standards; such conduct should be reported in writing to the chairperson of the Discipline and Grievance

Committee or the Texas Section office. The Discipline and Grievance Committee is designed not to threaten, but to serve the member organizations, tournaments and individual members. The committee shall investigate all reported complaints.

- E. The chairperson of any tournament, match or exhibition may withhold all or such part of any prize money or expenses payable to any player charged by any chairperson or by the referee of such event with conduct inconsistent with the above standards, provided a written complaint of such conduct is promptly filed with the chairperson of the Discipline and Grievance Committee or the Texas Section office. Any prize money or expenses so withheld shall be withheld until a final determination of the charges in such complaint has been made.
