2013 USTA New England Adult Tournament Rankings

Congratulations to the players and doubles teams listed below who played in enough events (typically three to five tournaments depending on division) to earn a ranking. Out-of-section players and teams are listed with an asterisk (*) in the yearbook rankings.

The #1 players and teams will receive their tournament medallions at the International Hall of Fame Tennis Championships in Newport during July. The awards are presented on the Stadium Court between matches of world ranked men who are competing for the Van Alen Cup and ITF ranking points.
