Subject: USTA SINGLES Summer FLEX LEAGUES 2017 - REGISTRATION is now open !!!

What is the Singles Flex League? It is the ultimate in flexibility for players. One person equals one “team” for singles and players will play against the same gender at their NTRP level. Players simply register for the flex league on TennisLink and then schedule their own matches. Players can call or e-mail their opponent and then agree on a place and time to play. Matches are best of three sets with a match tiebreak for the third set. Best of all, it’s all about the fun! No concerns over ratings, there’s no advancement to a Sectional Championship and you get the opportunity to play against new players. I will notify you in the beginning of June when everything is set up in tennislink and when you can start making phone calls/emails to start setting up your own matches. You can anticipate around 6 matches for the summer (it will depend upon the # of teams that sign up though at each level).

- ❖ There will no refunds issued unless a player is injured with documentation from a medical professional (no matches played).

PLEASE FORWARD THIS EMAIL TO ANYONE THAT YOU THINK WOULD BE INTERESTED IN THE SUMMER Singles FLEX LEAGUE.

REGISTRATION IS NOW OPEN to anyone interested in signing up for the USTA Singles Summer Flex League (this is a non-advancing league and does NOT affect your rating). There will be Flex Singles **only** since we also offer the One Doubles league this summer 2017. This is a very relaxed, fun, social league that you are able to schedule your own matches on your own terms.

- Registration deadline is 6/1/17
- Season runs from 6/16-9/10/17
