Again this year the Humane Society of Pinellas has partnered with  
**Orthopaedic Associates of West Florida (OAWF)**, a major sponsor of  
this event, to provide you with a full medical team to ensure the safety of  
all the players. OAWF's physicians will be joined by athletic trainers  
and therapists from **Select Physical Therapy**. There will be a  
designated medical tent located on site for all players to ask our medical  
team any questions they might have regarding preventing or treating  
injuries, proper stretching, etc.

**The Humane Society of Pinellas** is a 501 (c) (3) non-profit organization that relies solely on donations and bequests to care for thousands of animals annually. Our

mission is to care for, shelter and find homes for animals; promote responsible pet ownership; encourage kindness and compassion towards animals; prevent and when necessary relieve animal suffering; provide for and encourage animal sterilization; and assist in the enforcement of laws and ordinances for the protection of all animals.

We appreciate your support so we can continue our many vital programs and services such as our adoption program, disaster services and spay/neuter programs. Adoptable pets entering our adoption program remain in our care until they find a home. Furthermore, we are committed to "treating the treatable and training the trainable," giving more pets the opportunity for life in a loving home.

All proceeds from the tournament will go to the Humane Society to provide refuge for homeless animals, fund abuse prevention programs, supply medical services and help us continue our much-needed expansion and renovation.
