Nick Kyrgios

Flash

N. KYRGIOS/I. Karlovic

4-6, 7-6, 6-3

Q. A bit of a serving battle between you and Ivo. How did you feel the conditions affected the play after continuing from last night?

NICK KYRGIOS: Yeah, it was tough, obviously. You know, having a couple of break points last night, I didn't take them.

Then coming back today, had a very slow start. It was very windy out there, so I couldn't get anything going on my serve. Obviously he can serve through any sort of type of conditions.

I just had to stay tough. Obviously got a couple of lucky points in the breaker and forced a third set. Yeah, just managed to find some rhythm and find some energy and obviously take the third set.

Q. Looking ahead, you have Rafa or Albert Ramos-Vinolas tonight. How will you prepare for that one?

NICK KYRGIOS: Yeah, it's going to be tough. Either one of those guys, they're lefties, and they know how to win tennis matches.

I have played them both before and beat them both but also lost to them both. I know it's going to be a tough battle.
