Mixed doubles matches do not count toward ratings for players who play mixed doubles and other gender specific league or sanctioned tournament matches. Utah League Regulations may be amended with the approval of the Adult Programs Committee and/or the Utah District League Coordinator. Interpretations of these regulations are the responsibility of the Adult Programs Committee.

2.06B Section Options for Move-Up/Split-Up.

2.06B(1) All Championships Below Nationals. Sections shall have the right to decide whether a team who competes at any championship level below the National Championships must move-up or disperse to form new teams for the following championship year and under what conditions.

2.06B(2) Sections shall have the option to restrict crossover between Adult and Mixed Divisions notwithstanding Section 2.06A.

2.07 CHAMPIONSHIP PLAYERS. A championship player's computer rating achieved as a result of play in District/Area, Regional, Sectional and/or National Championships may not be appealed down following the Championship Year it is received except as in Reg. 2.05D Medical Appeals and Reg. 2.05E Promotion of Players 60 or Over and 65 or Over.

The MOVE-UP/SPLIT-UP RULE will not be applied to the Leagues administered by the Utah Tennis Association. All USTA Leagues will need to comply with the MOVE-UP/SPLIT-UP RULE (SEE CHART ON PAGE 20)

1.04 NTRP. The National Tennis Rating Program (NTRP) is the official system for rating levels of competition for USTA League. A player with a current NTRP published level (from 2012, 2013 or 2014) must use that rating to enter the program. Players who do not have a valid NTRP rating level on file in TennisLink shall self-rate in accordance with the General & Experienced Guidelines Supplement to the NTRP Guidelines and complete the self-rating process on TennisLink when registering for a team. Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating. A valid NTRP rating level is in effect for two years for individuals 60 years of age or older prior to, or during, the League Year and for three years for individuals 59 years of age or under, or until another valid NTRP rating level is generated.

1.04A PLAYING ON MORE THAN ONE TEAM. Players playing on more than one team at the same NTRP level (one AM team, one PM team or one AM team & one SAT team). A player may play at their current NTRP and up a half level above the player's current NTRP. Check league rules. Each league is different.

In the event a player participates on more than one team, wins the local league, and advances to a championship level, player may compete on more than one team at different NTRP levels through Section Championship.

In the event a player participates on more than one team, wins the local league, and advances to a championship level, player may not play on two teams at the same level.

Note: No special consideration for match scheduling will be given. It is recommended that the player choose a "primary" team. Players rostered on more than one team advancing to National Championships will be subject to national regulations.

1.04D(5) Two Team Leagues. If any Adult Division Age Group consists of only two teams in a level of play, each team must maintain its roster with at least 40 percent of its players at the designated NTRP level of play. The exception is the Adult Division 55 & Over Age Group that uses combined NTRP rating levels and will not be required to comply with this Regulation.

1.04G(7) At any National Championship. If a player qualifies for two or more teams at the same NTRP level for an event, the individual must declare which team he or she will represent. In the absence of a declaration, the first match played will determine which team he or she will represent.

1.05 MATCH PLAY PROCEDURES

1.05A Team captains shall exchange their team line-up simultaneously prior to the beginning of the team match. Line-up should not be exchanged until all players on the roster are present. After line-ups are exchanged, team positions are set. No substitution may be made in an individual match after the lineup has been presented, except for injury to, illness of, or disqualification of a player prior to the start of the match. If a substitution is made during the warm-up, the substitute player is entitled to a five (5) minute warm-up.

1.05B Matches need to start at their scheduled match time. All players should arrive before match time. A default will be called when a player is not on the court 15 minutes after the established starting time. The Point Penalty System is NOT in effect for these un-officiated league matches.

1.05C Warm up is limited to 10 minutes including serves. Warm ups begin at the start of the scheduled match time. Warm-up with your opponents is mandatory. If courts are available teams may warm-up prior to the scheduled match start time which is not included in the 10-minute warm up period. (The facility might charge you.)

1.06 MATCH RESCHEDULING POLICY FOR 2015

As a general rule matches are NOT to be rescheduled except for inclement weather (rain, snow, sleet, hail and lightening) or the tennis facility is overbooked, and the courts are not available.

1.06A Players signing up for tournaments which conflict with scheduled league matches must choose which match they will default should another team member not be available for the league match.

2.06 MOVE-UP/SPLIT-UP.

2.06A National Championship Teams.

2.06A(1): Adult Divisions: Teams and team members that advanced to, or qualified for, any Adult National Championship may play together as a team, in whole or in part, in any Age Group within the Adult Division if they move up one NTRP team level in accordance with the table below. These players may combine and play at any level for which they are eligible in the Mixed Division.

2.06A(2) Mixed Divisions: Teams and team members that advanced to, or qualified for, any Mixed Division National Championship may play together as a team, in whole or in part, in any Age Group within the Mixed Division if they move up one NTRP team level in accordance with the table below. These players may combine and play at any level for which they are eligible in the Adult Division.

2.06A(3) All Divisions: No more than 3 players (2 for Adult 2.5 and 5.0+) who were on the roster of any team or combination of teams, that advanced to, or qualified for, any National Championship the previous year may play together in any age group within the same Division and NTRP level or lower NTRP level as the National Championship team, if their NTRP rating allows. Move Up/Split Up requirements only apply to players who participated in three (3) or more matches (excluding all defaults) for that team during the championship year. If a Section has a regulation that limits the number of players on a roster that are at a specific level, the Section must suspend that regulation for one year for any team that advanced to, or qualified for, any National Championship the previous year and chooses to move up one NTRP team level.

ELIGIBILITY FOR CHAMPIONSHIPS

2.03A(3) In the Adult and Mixed Divisions, a player is eligible to progress to championship level competition below National Championships if that player has played on the same team in at least two matches at the same NTRP level in the same Age Group during its local league season and is otherwise eligible. A maximum of one default received by the player during local league competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions. **(See MATCHES REQUIRED TO ADVANCE TO CHAMPIONSHIPS FOR ADULT AND MIXED DIVISIONS TABLE.)**

MATCHES REQUIRED TO ADVANCE TO CHAMPIONSHIPS FOR ADULTS AND MIXED DIVISIONS			
SECTIONAL CHAMPIONSHIPS AND BELOW		NATIONAL CHAMPIONSHIPS	
LOCAL MATCHES REQUIRED	DEFAULTS THAT COUNT	TOTAL MATCHES REQUIRED THROUGH SECTIONAL	DEFAULTS THAT COUNT
To advance to any championship level through Sectional Championship	To advance to any championship level through Sectional Championship	To advance to National Championship	To advance to National Championship
2 matches on the same team	1 default <u>received</u> shall count	3 matches on the same team	NO defaults shall count
RETIRED matches shall count for all players.			

1.06B SUSPENDED OR RAINED OUT MATCHES. Unless agreed upon by both captains, all players must be present at match time, even if a rainout is obvious. Rained out or suspended matches are to be made up within two weeks of the originally scheduled match or prior to the end of the league date, whichever is first. The Utah Tennis League Coordinator may record un-played matches as double defaults if the teams do not complete the matches prior to the deadline.

1.06C DARKNESS. Any player may suspend play due to darkness. Suspension of a match because of darkness should be done at the end of an even number of games in a set or at the end of the set. The match will need to be completed that evening if outdoor lights or indoor courts are available. When the match is suspended the score and who was serving and on which side needs to be noted. If the match cannot be completed that evening it needs to be finished before the next league match. Resume the match at an agreed day and time of both teams and/or players. If a date cannot be agreed upon the league coordinator will schedule the match. Otherwise, if the match is not played it will be considered a double default.

1.06D OFFICIAL BALL. In USTA League matches; a standard Type 2 USTA approved ball shall be used. The use of any USTA "transition" ball is prohibited.

1.06E RETIREMENT. A retirement occurs when an individual match has started and a player/doubles team is unable to continue due to injury, loss of condition, emergency or refusal to play.

1.06F(1) In case of a retirement, for the purpose of determining standings, the non-retiring player/doubles team shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player/doubles team won every subsequent game. For NTRP computer data entry in TennisLink, mark as retired and submit actual scores of match at the point of retirement.

1.07 MATCH AND MATCH SCORING PROCEDURES

Scoring

- All matches will be regular scoring in every league.
- In lieu of a 3rd set, all matches will play a 10 point Coman Match Tie-break.
- The Coman Tie-break Procedure will be used for all set tie-breaks (first to 7 by a margin of two). This is used for either the first or second set that reaches 6 all. The 10 point Coman match tie-break will be used for matches that split sets. The match tie-break is the (first to 10 by a margin of two). The first server serves and the players change sides. The players change sides after every (4) points thereafter (i.e. points 1,5,9,13,17.) This tie-break procedure allows doubles players to continue serving from the same side of the court as they have been doing throughout the set. After the completion of each match the scores must be entered into TennisLink within 48 hours.

Below Level Players Playing Up

- The district has put a limit on the number of players in a match who have an individual NTRP below the team NTRP level.
 - Teams with 5 lines: Can have 4 under level players playing at one time.
 - Teams with 3 lines: Can have 2 under level players playing at one time.
- Below level players need to play from the bottom up i.e.: 2nd singles before 1st singles or 3rd doubles before 2nd.
- Below level players may play in the top position if no at level players are available.

LOCAL COMPETITION

2.01A(1) When using straight NTRP levels, a player cannot have an NTRP rating higher than the NTRP level in which the player is competing except in the 5.0+ NTRP level of the Adult Division, 18 & Over and in the 4.5+ NTRP level of the Adult Division, 40 & Over. All plus (+) level team rosters may include up to two players from the next higher NTRP level.

1.14C Intent to Play. The District League Coordinator will contact all teams eligible to advance to the District Championship. Should teams that are eligible decline, the opportunity shall be offered to the second place team. If a team cannot field enough players for each team match, the invitation to participate should be declined which would allow another team to participate, or the slot would be left vacant, if necessary. The League Championship Committee reserves the right to invite a wild card team to the District Championships as deemed necessary.

1.14D Teams that agree to participate in District Championships are obligated to participate in the entire event, playing all scheduled matches even if the outcome has already been determined. Any team withdrawing early may have all matches played and to be played in the District Championships removed from the standings if it is determined to affect the standing for any team in contention.

1.14F If a team gives notice that it will participate in District Championships but then fails to do so, the Championship Committee may impose sanctions against some or all players on the defaulting team, depending upon the circumstances presented. The maximum penalty, to be administered in egregious situations only, is disqualification of that individual or individuals from all USTA league play for a period of up to eleven months the year following any such failure to participate. In the event the Championship Committee recommends disqualification from USTA League play for any period of time, the Adult Programs Committee will review the findings and recommendation of the Championship Committee and make recommendation to the Board of Directors, who will determine the sanction to be imposed.
