

A reminder for 90 minute timed matches.

1. At the very beginning of the match one player on each court sets her/his phone alarm for 15 minutes before match time is over.
2. After the alarm rings set it again for 15 minutes
3. Play will be best of three sets, regular scoring and a match tie-break (first one to 10 by 2) in lieu of a third set.
4. With 15 minutes remaining, complete the game in process.
5. If games are even, play a set tie-break (first to 7 by 2) to determine the set.
6. If a team is ahead by one game, play another game. If a team is now ahead by two games, they win the set.
7. If games are now tied play a set tie-break (first to 7 by 2) to determine the winner of the set.
8. If split sets, play a match tie-break (first one to 10 by 2)
9. If the alarm goes off and a team is ahead 6-4, 3-2 they have won the match.
10. If you are tied 6-4, 3-3, and completely out of time, play a sudden death point.
11. If you are in a game 40-30 and the alarm goes off the match is over-with the team who has 40 as the winner.
12. If you are even in a tie-break, and completely out of time, play a sudden death point.

13. Even though you are not changing sides until the end of each set, players may take a drink of water after odd number games (except after the 1st game of each set). You may take up to 30 seconds to do so.
