Any violation of these regulations shall be subject to such sanctions as may be imposed by League Grievance or Grievance Appeal Committee procedures outlined in the USTA League Regulations. USTA Southern is the final authority on such actions unless otherwise specified in Bylaws of the USTA or USTA Southern. The Sectional League Coordinator, in conjunction with the USTA Southern Adult League Committee Chairman and Vice-Chairman, shall have the authority to interpret the Southern Combo Doubles Regulations.

Each individual doubles team's combined NTRP ratings may not exceed the level entered.

5. **NTRP Rating Entry:** NTRP is the official system for rating levels of competition in Combo Doubles. Players who do not have a computer rating ("C") or mixed-exclusive rating ("M") on file in TennisLink shall self-rate in accordance with the National Tennis Rating Program (NTRP) Guidelines and complete the self-rating process on TennisLink when registering for a team. Failure to do so or omission of information regarding a player's tennis history will subject the player, the captain and/or others who condoned inaccurate self-rating to sanctions and disqualification.

A player may not be dynamically promoted based on match results from Combo Doubles and match results are not calculated in year-end NTRP computer ratings.

6. **Appealed & Self-Ratings:** Players who submit an appeal to their self-rating through the Tennis Link system before their local league deadline for registering players will be permitted to register up to seven days after the notification of final self-rating.

- If a player's rating is appealed down or up during the Combo **local** season, the player must adjust the rating on the roster for the duration of the season and should notify applicable Local League Coordinator to make update on TennisLink roster. Previous matches by the player would stand.
- If a player's rating is appealed down after the Combo **local** season, the player may not adjust the rating on the roster and must continue to use the rating on the roster for the remaining championship year.

7. **Rating Used for Championship Play:** Players must play with the rating on the **TennisLink** roster through the Sectional Championships unless:

- The player appealed up or down during season (see above-mentioned regulation #6), and/or
- The player is dynamically promoted during any championship year.

Regardless of a player's 2019 year-end rating prior to the sectional championship, he/she must use the rating listed on TennisLink roster.

7. **State Championship:** State associations may regulate how many matches, if any, qualify a player to advance to state championship. **State associations may determine advancement on more than one team within an age group only if they are different NTRP levels.**

Qualifying matches must be local league match if local play is offered.

8. **Southern Championship:** Players must play in at least one local or state championship match in order to advance to the Combo Doubles Sectional Championships (defaults received do count towards advancement in this program). Players who qualify for a Combo Doubles 18 & Over, Combo Doubles 40 & Over and/or Combo Doubles 55 & Over teams (s) may advance on more than one team within an age group only if they are different NTRP levels. No accommodations for scheduling will be made at Sectional Championships for teams with players that may be competing on two or more teams during a Sectional Championship. If matches are scheduled concurrently in the above-mentioned scenarios,

then teams are expected to provide full line-ups for all team matches.

9. **Southern Championship Advancement Process:** If the winning team at any level of State Championship competition is unable to compete further towards the Sectional Championships, then the State League Coordinator may select the second place team for such further competition. The Section may issue wildcards as necessary to fill the draw. If less than four teams are entered in a NTRP level draw within 21 days of event, the draw for the NTRP level may be cancelled unless otherwise authorized by the Tournament Committee.

11. **State Championship Advancement Process & Deadlines:** States shall determine the progression from local league to the State Championship. States shall conclude their State League Championships to determine its State Champions by November 9, 2020 and identify to the Section their winning and/or advancing teams at each level by November 12, 2020.

11. At the Southern Championship, the format will use round robin(s), single elimination or un-flighted matches against randomly selected opponents. The use of multiple round robins, or the use of un-flighted matches, will require a playoff structure to establish a champion. Please refer to championship procedures for full details on possible match formats at a championship.

12. **Sectional Championships Scoring:** All matches will be the best of two sets and the set tiebreak shall be used at 6-all in each set. In lieu of a third set, a 10-point match tiebreak shall be played. In the event of a tie, whether in round robin or single elimination competition, the tie shall be broken by the first of the following procedures that does so:

- **Individual Matches.** Winner of the most individual matches in the entire competition.
- **Head-to-Head.** Winner of head-to-head match.
- **Sets.** Loser of the fewest number of sets.
- **Games.** Loser of the fewest number of games.
- **Game Winning Percentage.** Total games won divided by total games played.
- A method to be determined by the championships committee: procedure to be announced prior to commencement of championship competition.

Championship Procedures permit the use of shortened and/or alternative scoring.

(A) Scoring of Team Defaults at Championship. If a team defaults an entire team match for any reason during round robin play in a championship, then all matches of that team played or to

be played during that championship, shall be null and void. If all teams in contention for the Championships have already played the defaulting team, the matches stand as played. The Championship Committee will file a grievance to further impose sanctions or penalties on said team.

13. **Defaults.** A minimum of 6 team members (3 separate eligible pairings) who were on the final roster of their local league team at the conclusion of local league play must be available and eligible to compete at the State and Sectional Championships. The Championship Committee may reduce that number to not less than four (2 separate eligible pairings). A team may default a maximum of one position in a match without defaulting the entire match. Said position shall be the No. 3 doubles if it's a known default.

14. **Scoring of Individual Defaults:** Defaults will be scored as a 6-0, 6-0 win for the player (doubles team) receiving the default and a 6-0, 6-0 loss for the player (doubles team) that defaulted the match. In the event of a default by both opposing players (teams), both sides will be given a 6-0, 6-0 loss and neither receives credit for a win.

NOTE: If a double default results in a tie, the tie-break procedure shall be the same as listed above in order to determine a winner of that team match.

Retirement. A retirement occurs when an individual match has started and a player (doubles team) is unable to continue due to injury, loss of condition or emergency.

Scoring of Retirements. In case of a retirement, the non-retiring player (doubles team) shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player (doubles team) won every subsequent game.

15. **NTRP Grievance Complaint.** The USTA Southern Section will administer NTRP Grievance Complaints. These complaints should be first delivered to the Local League Coordinator who will forward to the State League Coordinator who will forward to the Section League Coordinator who will forward to the Southern NTRP Grievance Committee Chairman. This committee will have jurisdiction over grievances filed against any player and/or captain who commits or condones entering at an NTRP level lower than their actual skill level. NTRP Grievances filed within 7 days of a local playoff, or 21 days of the start date of the player's and/or captain's State or Sectional Championships will be administered after the event unless the section authorizes the administration of the grievance prior to that time. If the grievance is not administered until after the event, points won by players will stand. Disqualified players and/or captains that are suspended will not be eligible to advance to the next level of championship play.
