Dear Daryl,

Congratulations on Northeast Texas Tennis Coalition reception of the Capacity Building Grant. We had a record number of applicants this year vying for the same grant funding allotment. Your organization has been approved to receive \$800 to be used for the following initiatives:

Host an annual general meeting and monthly CTA meetings - \$800

Attend Quarterly CTA Calls with TSR and CTA Coordinator

Consider implementing:

- An adult social offering for an income opportunity (social league or an 'In and Out' Tournament)
- #TennisClub for kids and/or a Hot Shots Program (contact your TSR or Taylor Jones)

USTA Texas appreciates all that you do for tennis in Texas. By responding to this letter, you are accepting the goals listed above. Failure to follow through in accomplishing these goals could impact your organization's ability to receive future grants.

If you have any questions, please do not hesitate to contact Todd Carlson.

Sincerely,

Todd Carlson
