Thank you to all the advertisers in
the 2014-15 Mid-South Illinois Tennis
Yearbook. If you see them or use
their services, please thank them for
their support of MSITA.

Greeting to all in the MSITA Family:

First, I want to thank Norma Shook, Patty Bramlet and the Board of Directors for all their hard work in getting the new district off on the right track. Please consider volunteering if you are asked to help in some form for the MSITA. You may contact any Board Member, Executive Director Patty Bramlet, or District League Coordinator Joann Blair. The incoming board wants to continue the development of the MSITA District. It is important that the board hears from the organizations and any individuals in the district.

The booth at the state fair was again a success and we hope to continue doing it with the help of the many volunteers. Thanks to Joann Blair and Patty Bramlet for all their hard work with the adult and junior league programs—also the captains, coaches, and players involved with these programs. A big thank you to everyone involved with the running of all the junior and adult tournaments in the district.

Thanks to all the advertisers in the yearbook—please let them know you saw their ad in the yearbook and thank them for their support of the MSITA. A special thanks to Laser Images and Caroline Kewney for the professionalism and volunteer time spent in the production of the Yearbook. Lastly, best of luck to all the people and players involved in the MSITA District. Let's all have a great year of tennis.

Richard Muston
MSITA President

—In Memory of John Peterson—

John passed away on December 24, 2014. He had many hobbies and interests, according to his family, but tennis was his favorite. He taught tennis lessons, strung racquets, competed in the sport and spent many years volunteering for the Fairfield Tennis Club and the Southern Illinois Tennis Association.

John was President of SITA (1996-98) and the Fairfield Tennis Club (1985-98)—he was also Director of the Fairfield Adult and Junior Opens from 1965 through 2009. In 1990, he established the John Peterson Award for the Most Outstanding SITA Senior Tennis Player and also won the trophy that year.

The Petersons were the SITA Family of the Year in 1985. They owned a private clay court which was used by family and many other players in Wayne County.

John will certainly be missed by his family and the tennis community in Southern Illinois.

WHAT IS 10 AND UNDER EARNED ADVANCEMENT?

Starting in 2014, the USTA/Midwest Section implemented a revised tournament structure for players under the age of 11. This revised tournament structure allows for players to advance to various stages of the 10 and Under Tennis pathway as they show competency within each stage of play while making sure players compete using the age appropriate ball, racquet, and court size.

WHY EARNED ADVANCEMENT?

Players should advance through the various stages with the understanding that this is not a race to the yellow ball, but a process rich in development opportunities at each stage. All children develop at different paces, whether physically, mentally, or emotionally. This new system is designed to accommodate these variations.

BENEFITS OF EARNED ADVANCEMENT

Along with accommodating the progress of each child, the Earned Advancement system also provides the ancillary benefit of promoting goal setting. Learning to set goals is a beneficial habit for all players to develop at a young age. Earned Advancement encourages players to set quantifiable and achievable goals at each stage of the beginning of their Junior Tournament careers and will equip players with a goal setting mindset to carry throughout their lives.

WHAT ARE THE STAGES OF 10 AND UNDER TENNIS?

10 and Under Tennis recognizes three stages of play based on players age and competency. The stages are Red Ball Tennis, Orange Ball Tennis, and Green Ball Tennis.

RED BALL TENNIS TOURNAMENTS

Red Ball tournaments are played on a 36 foot court with red tennis balls and are a great way for players to begin competing. These non-elimination, single day tournaments focus solely on fun, development, and learning the game while helping players become acclimated to the look and feel of a tournament. There are no points per round associated with red ball tournaments, and no earned advancement required to participate in orange ball tournaments.

ORANGE BALL TENNIS TOURNAMENTS

Orange Ball tournaments are played on a 60 foot court with orange tennis balls. Orange ball tournaments utilize a non-elimination format (e.g. Round Robin, Compass Draw). Players may advance to green ball tournaments by accomplishing any of the following requirements:

A player may advance on the first day of the month of the player's 10th birthday.

A player wins at least one (1) Designated Advancement Orange Ball Tournament.

A player participates in at least four (4) Designated Advancement Orange Ball Tournaments.

GREEN BALL TENNIS TOURNAMENTS

Green Ball tournaments are played on a 78 foot court with green tennis balls. Just as players advance from orange ball tennis to green ball tennis, they must demonstrate their competency in green ball tennis before they can earn entry into yellow ball tournaments. Players may advance to the yellow ball stage of tournaments by any of the following:

A player may advance on the first day of the month of the player's 10th birthday.

A player wins at least two (2) Designated Advancement Green Ball Tournaments.

A player participates in at least four (4) Designated Advancement Green Ball Tournaments.

A player reaches the Quarterfinals of the USTA/Midwest Section Outdoor Closed Championship or the Semifinals of any USTA/Midwest Section Level 1 Tournament.

GRANDFATHERED PLAYERS

Players who have competed and earned at least 20 USTA/Midwest Section ranking points as listed on any 2013 USTA/Midwest Final Ranking list are not subject to the rules and regulations detailed in the Earned Advancement system, regardless of their current age. These players are free to play any stage of 10 and Under Tennis Tournaments and may also play in older age divisions as well. A full list of grandfathered players is available at www.midwest.usta.com/EarnedAdvancement.
