Calendar Notes

Safe Play Background Check	Your Safe Play background check must be current to register players. You will need to renew every two years to stay current. For more information, go to coloradotennis.com , Juniors, Parent/Coach Information.
Team Creation Deadline	All teams must be created in TennisLink by the date mentioned above and have the minimum number of players registered.
Match Schedule Available Online	Schedules and captain rosters will be available online at http://tennislink.com .
Player Move Deadline	Last day to move a player. To be eligible for State Championships a player must play a minimum of two matches.
Score Entry Deadline	All scores not reported by the date mentioned above at noon will be recorded as a double default by USTA CO. Standings will be finalized by score entry deadline date at 6:00 PM.
State Championship Notification	Eligible Teams (teams that finish first in their flight) must submit a team confirmation to USTA CO by 7/25 at noon if they are participating in the State Championships. Teams that don't meet the minimum of 3 players cannot compete at State. If a confirmation is not received by 7/25 at noon, USTA CO is not required to include the team in the schedule.
Double Defaults	Teams have 3 weeks or by the score entry deadline to enter scores (whichever date comes first). Matches not recorded by the deadline will be double defaulted. Matches that have been double defaulted can still count toward standings as long as the match information is emailed to saryn@coloradotennis.com by July 24 at noon. In the email, please include the match number, lineup, scores, and who won each line. Saryn, the JTT League Coordinator, will then enter the match in TennisLink to count toward standings. Scores emailed to Saryn after the deadline will not be entered into TennisLink until after State Championships.
