Find A Team/Find A Player

USTA CO has a program to better assist teams looking for players or players looking for teams. Click [here](#) if you need assistance finding a player for your team.

Directions to Courts

We recommend that all players use our [Court Locator](#) for directions if they do not know where they're going. It is extremely important to note that the address for facilities that is provided in TennisLink is often NOT the address to the tennis courts, so players should never search for directions using the address they see in TennisLink. We have provided a link to the court locator on your team's stats and standings page for easy access to it. Otherwise, it can be accessed at [COLORADOTENNIS.com](https://coloradotennis.com).

Communications

It is a requirement for all captains to sign up to receive our Adult League *Alert!* emails. These emails will provide you with all of the important information you will need regarding schedules, playoff announcements, and deadlines. Click [here](#) to sign up.

Important Dates and Deadlines

The calendar with important dates and deadlines is located on this page of our website – http://www.colorado.usta.com/cta/adults/adult_league_resources/calendar_days-times/

Please pay close attention to the score entry deadline.

Score Entry

Always print a copy of the scorecard to take with you to the match. It is the responsibility of **both team captains** to ensure that match scores are accurately reported within 48 hours of the completed scheduled match. This responsibility should be discussed when lineups are exchanged. Both captains should retain a copy of the match lineup and scores throughout the entire season in case of a dispute.

If something is incorrect with the match as entered, please dispute the match and send an email to the appropriate [league coordinator](#) to explain the reason for the dispute.

If you have any questions, or if we can better assist you in any way, please don't hesitate to [contact us](#). Have a great season, and best of luck to you and your team!
