OUR WHY: STRENGTHENING COMMUNITIES THROUGH TENNIS

What does it mean, ***“to strengthen communities through tennis”***? USTA Colorado sincerely believes that among all sports, tennis has the potential for the greatest positive impact on individuals. We know how tennis develops **character**, instills **sportsmanship** and **respect**, builds rapport, and helps participants stay **healthy** for a lifetime. We also believe that communities that embrace tennis will become stronger through the beneficial growth of its members.

There are many 21st Century challenges that face youth, families, schools, parents, and society in general. Poverty, crime, drug and alcohol use, obesity, inactivity, isolation, body image, bullying ... and sadly, the list keeps growing.

USTA Colorado does not believe in a magic tennis pill, but we do believe in putting racquets into kids' hands, getting them on the court and off streets, and giving them an alternative to a sedentary,

digitally-dominated environment. We believe that providing opportunities for them to grow will make them self-sufficient and responsible, and encouraging them to learn from their mistakes will make them self-confident.

We believe that every child, every teen, every Millennial, Generation Xer, and Baby Boomer benefits from the life lessons and skills that playing tennis offers. We believe that we are in a unique position to educate parents about the needs of their children, and provide solutions for schools and clubs to provide tennis opportunities for everyone.

When we “start with WHY”, our mission to grow the game becomes so much easier to understand.

Growing the game isn't just about creating opportunities to play tennis, it's about sharing our passion for the game.

ATTENTION HIGH SCHOOL TEAMS... STEP UP TO THE RACQUETS FOR ALL HIGH SCHOOL CHALLENGE

Open the door to tennis to those who may not be able to play because they don't have access to equipment. Many high school teams are in need of this support.

- **Participate in a fun "green" team building project**
- **Meet individual student community service requirements**
- **Earn money for your team. Prize will be awarded to the boys' and girls' team that collects the most racquets based on the following:**
 - * \$50 if the top team collects up to 10 racquets;
 - * \$100 if the top team collects between 11 – 25 racquets; and
 - * \$200 if the top team collects 26 or more racquets.

All teams that collect more than 25 racquets are eligible to win a case of balls.

Got RACQUETS?

Turn old racquets into new dreams — discover ways to expand our inventory

Got TIME?

Give back to the sport that gives you so much — even an hour a month can make a difference

Need RACQUETS?

Connect us with community groups, schools and individuals who need equipment — the online request form makes it easy

RACQUETS FOR ALL is a non-profit, volunteer-driven program of the Colorado Youth Tennis Foundation which collects used tennis racquets, balls and other equipment. Collected items are assessed, refurbished as needed, and distributed to individuals and organizations in Colorado who do not have access to such equipment. The Colorado Youth Tennis Foundation's mission is to use the lifetime sport of tennis to promote the physical, emotional and social development of all youth to aspire to become active, productive and responsible citizens.

USTA Colorado offers **FREE WORKSHOPS** designed to collaborate with our tennis community in an effort to support providers and their delivery of the game. **ALL TENNIS PROVIDERS WELCOME.** Topics vary and are selected based on interest and input from our tennis community members.

Prior session topics included;

- Growing the sport by creating community
- Games based learning
- Utilizing the off season to prepare
- Net Generation: the benefits for all tennis providers
- Net Generation: the Junior Competitive Pathway, Team Challenges/Team Tournaments

COLLABORATIVE COACHING SERIES

Held monthly from September–April, CCS workshops typically include on- and off-court components. Presenters are experts in the industry (local and national) and selected based on each month's topic. This partnership between USTA Colorado and our providers is just one way we are uniting as a team to better deliver the game and thus grow the sport.

Join us to help create the *COMMUNITY* we need to continue to develop the sport we all love! Please plan to attend and be a part of this collaborative effort to further tennis in Colorado.

Net Generation is the USTA's youth (ages 5-18) tennis brand, dedicated to welcoming millions of new players to the game by focusing on empowerment, unity, and play.

Through a comprehensive program of adaptable curricula, teaching and learning tools, promotional and communications materials, and player and provider incentives, Net Generation aims to capture the imagination of kids of all ages, backgrounds, and skill levels, and bring together parents, coaches, teachers, and volunteers all throughout the country.

Net Generation provides a single registration platform for programs across the country and also requires all deliverers to have completed a background screen and an education program for working with minors.

With your account, you'll unlock exclusive content, tips, exercises and more fun stuff from the USTA. Plus, with the Net Generation Mobile App, you will have the ability to:

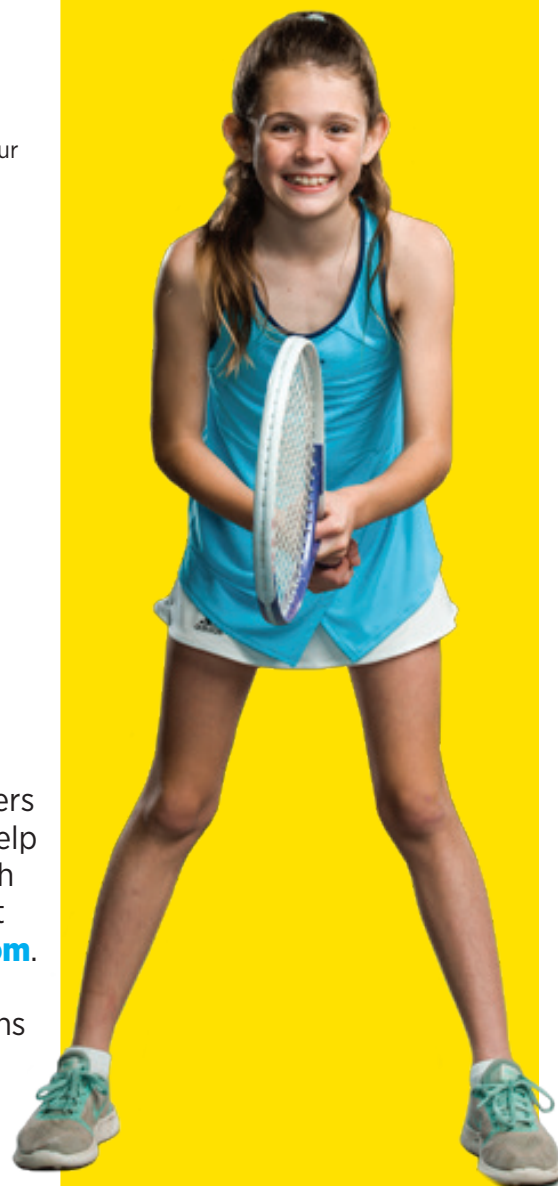

- Connect with your coach and receive badges for skills you accomplish
- Download fun at-home activities
- Complete challenges
- Track your activities and record your tennis journey
- And much more to come!

YOUTH

THE PERFECT MATCH

With smaller courts, shorter racquets, and lower bouncing balls, youth players will achieve greater physical activity and feel successful at tennis right from the start. Tennis is a game that can be played at home in the driveway with the whole family or with friends on any flat, safe surface.

RACQUET SIZES

GET STARTED. MOVE ON. LEVEL UP.

RED BALL

The tennis journey starts with the red level. Red balls can be made of foam or felt, are larger, bounce lower and travel slower than the standard yellow ball making it easier to learn and acquire skills.

COURT SIZE: 36' x 18'

Red Courts are short and narrow, making it easy for players to focus on learning the fundamentals of the game.

ORANGE BALL

Orange balls travel through the air a little faster and farther than the red ball, but are the same size and still bounce lower than a yellow ball.

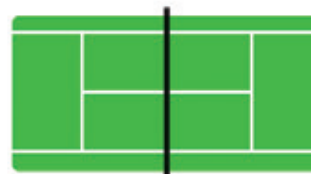

COURT SIZE: 60' x 21' - OR - 60' x 27' (DOUBLES)

Slightly smaller than the full-size 78' court, Orange Courts are ideal for players who are still developing their athletic, technical, and competitive skills.

GREEN & YELLOW BALLS

Green balls have a slightly reduced bounce compared to the yellow ball making the transition to a full-size 78' court much easier.

COURT SIZE: 78' x 27' - OR - 78' x 36' (DOUBLES)

At this stage, while continuing to improve their tactical and technical skills, a player's size does not hinder their ability to cover a full-size tennis court.

GETTING STARTED

A man in a yellow shirt and white cap, and a boy in a blue shirt and white cap, are both shouting and giving thumbs up on a tennis court. The man is holding a tennis racket. They are standing in front of a tennis net with trees in the background.

When kids first pick up a racquet, it opens a door to a lifetime of fitness, friendships and fun. That first encounter — whether it's on the playground or in the school gym, on a driveway or against a garage door, or with a tennis teacher at your local court — is just the first step to developing a youngster's interest in a sport that can help transform them for life. Once your child has developed the basics, USTA Colorado helps coordinate numerous opportunities for sparking that interest into a blazing passion.

ORGANIZED PLAY

THROUGH NET GENERATION PROVIDERS

TEAM CHALLENGES

Team Challenges are low-pressure, team environments that allow youth to develop their skills through level-based play without an emphasis on instruction or results! This experience is for **RED**, **ORANGE**, and **GREEN** ball, and is designed for players before moving on to Junior Team Tennis, Team Events or Sanctioned Tournaments. Participants are expected to at least drop hit serve from the service line over the net and sustain a modified rally which can be rolling, trapping, bumping, or hitting.

Designed to be delivered as a single event or a series of up to six events, with the objective of providing a fun and social environment that highlights character and skill development, this program is delivered by Net Generation Safe Play approved

providers. It is a fantastic way to introduce a lifelong love of the game from the very first play opportunity!

TEAM TOURNAMENTS

Team Tournaments are an innovative way for children to gain match experience, develop their skills through level-based play, and demonstrate good sportsmanship!

Team Tournaments are for **RED**, **ORANGE**, and **GREEN** ball players who aren't quite ready to move on to Junior Team Tennis or individual tournaments. Participants are expected to at least overarm serve into the appropriate service box and sustain hitting rally. This program is delivered by Net Generation Safe Play approved providers.

SANCTIONED PLAY THROUGH USTA COLORADO

After experiencing tennis through fun, collaborative and non-competitive play opportunities, kids are well-prepared to take on the next level of challenge: sanctioned play. USTA Colorado offers three programs that will inspire and reward your children through age- and level-based competition.

JUNIOR TEAM TENNIS

Colorado has the largest **JTT** program in the country. Both seasons (Summer and Fall) have age-group competition (10s, 12s, 14s & 18s), and each age group is further divided into skill levels: Entry-Level (**Futures**), Lower-Intermediate (**Challenger B**), Higher-Intermediate (**Challenger A**) and Advanced (**Championship**).

In the Summer session, teams of 3-6 players compete against other teams of similar age and skill on a weekly basis, vying for the opportunity to compete in the Colorado JTT State Championship (End of July). The Fall session incorporates elements of the **3v3 format**.

JTT does not require a membership, but players must be registered through [NetGeneration.com](https://netgeneration.com).

TEAM EVENTS

The **3v3 format** has also been put in place for a dozen intermediate-level tournaments in 2020 (up from 9 in 2019). Team Events are an innovative way for youngsters to gain match experience, develop their skills through level-based play, and demonstrate good sportsmanship!

Designed for Intermediate-level (**Challenger**) players, these one-day events give competitors a chance to play singles and doubles in a team-friendly environment that allows substitutions, encourages coaching, and fosters camaraderie. Boys and girls can play together, keeping the atmosphere social and fun.

Sanctioned 3v3 Team Events do require a USTA membership, but USTA Colorado will reimburse new players the membership fee.

Visit [COLORADOTENNIS.com](https://coloradotennis.com) for details.

TOURNAMENTS

Traditional tournaments have been a part of Colorado's tennis history for more than 100 years. Players compete against others of similar age and skill development, with opportunities to challenge at the Sectional and National level.

All **Challenger/Level 7** events feature multiple-match, single-day player-friendly formats.

Championship/Level 6 division events typically offer highly competitive players a traditional, single-elimination tournament experience.

For competitors who qualify for select championship events (**Level 3-5**), there are numerous tournaments in Colorado and across the Intermountain Section.

All sanctioned tournaments require a USTA membership. Please visit [USTA.com](https://usta.com) to join or renew.

The Ball and the Wall

with humble apologies to Dr Suess

It's Saturday morning.
My feelings unspoken.
I couldn't believe that
the Xbox was broken.

I sat there and stared.
I had not a clue.
And I screamed to the world,
I have nothing to do!

When then I remembered
Outside was a wall.
And in the corner there sat
A short racquet and ball.

I snatched them up quickly
And out the door to the back.
I stepped up to the wall
and gave the ball a whack.

Again and again
I sent it off spinning.
The wall sends it back.
It never stops winning.

Forehands and backhands
It goes on for hours.
When finally I stop,
I head for the shower.

The next Saturday morning,
The weather was rotten.
My soccer game's canceled.
And my Xbox forgotten.

It's raining outside,
But it's back to the wall.
I put on my coat
and grab racquet and ball.

My mom gives me a smile
And says have a good time.
Knowing when I come in
I'll be covered in grime.

Without a joystick to trap me
On the Xbox all day,
I found that the key to
have fun is to get out
and play.

TEAMEVENTS USTA

For many young players, the allure of playing on a team coincides with their first introduction to the sport. Since many young athletes are already familiar with team sports, the transition to tennis is easier if they have the ability to join their friends in competition.

The goal of team competition is to gain match experience, develop their skills through level based play, and demonstrate good sportsmanship...and oh yes, to HAVE FUN with FRIENDS!

These challenger-level events will use the 3v3 format, in which two teams of 4-6 players (comprised of boys, girls and/or co-ed) will compete against each other in side-by-side singles & doubles action. Players can substitute in and out between games.

Coaching is not only allowed, it is encouraged!

10&UNDER COMPETITION

YOUTH PROGRESSION

Earned Advancement

Players competing in 7-10 year-old divisions in **10s Tournaments** and **JTT** all begin on a 60-foot court using the **ORANGE** ball. Players can earn advancement to compete with a **GREEN** ball.

In addition to playing right-sized tennis with modified racquets, balls and courts, kids in Colorado track their points online — earning “stars” and “trophies” as they progress through the 10 and Under Youth Progression Pathway.

Player’s progress is tracked through Sanctioned/“**Tagged**” tournaments and Junior Team Tennis, where players earn participation points/credits (**STARS**).

Players earn achievement credits (**TROPHIES**) at select tournaments if they reach the finals, and additional points if they win the tournament. There are also several “**Non-Tagged**” tournaments where players can play in a less-competitive event.

Progress updates will be published weekly, and emails will automatically be generated by the system to alert kids/parents who have advanced to a new ball level. Players will also occasionally receive emails with encouraging status updates.

For advancement criteria, and a list of Youth Progression **Tagged** and **Non-Tagged** events in 2020, go to page 31.

10s divisions compete with the **ORANGE** ball.

10s players who have earned advancement may compete with the **GREEN** ball.

ENTRY-LEVEL COMPETITION FUTURES

Introduction to Competition

ALL FUTURES
divisions compete
with the **GREEN**
ball.

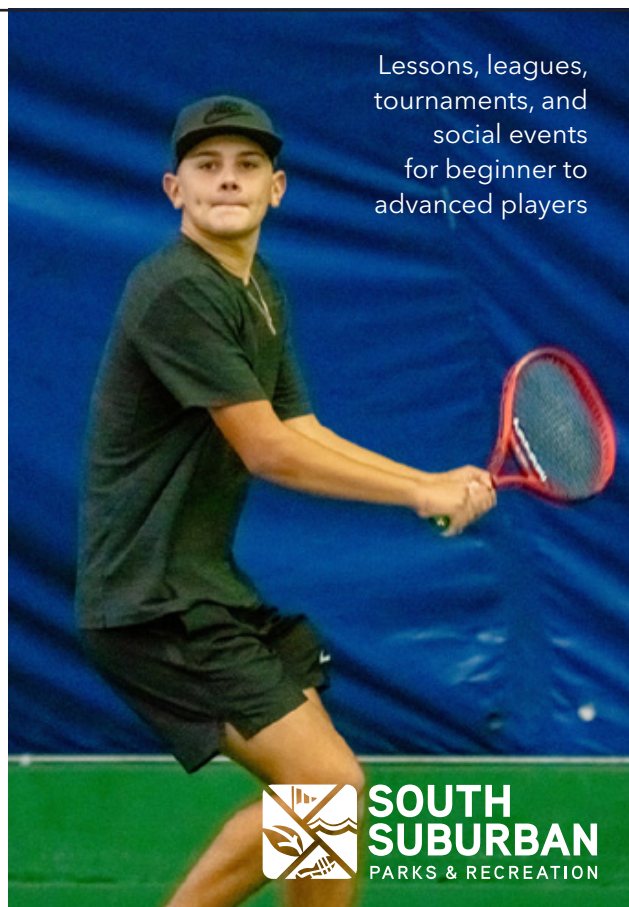

This year the USTA has phased out entry-level (Futures/Level 8) tournaments. Entry-level competitors (ages 11-18) who want to compete against other entry-level players of similar ages are encouraged to compete in **Junior Team Tennis**, which offers Futures-level play in all age divisions (12s, 14s & 18s).

INTERMEDIATE COMPETITION CHALLENGERS

Climbing the Ladder

As young players gain experience through entry-level events (Team Challenges, Team Tournaments and JTT), they gain confidence to compete at a higher level. Challenger divisions offer juniors the opportunity to experience the next level of competitive play.

Challenger tournaments are geared toward intermediate-level players with some competitive experience — JTT, Team Events and/or high school doubles. These programs act as a bridge to Championship level events, or helping high school age competitors gain experience in order to move up their school ladder. All **Challenger/Level 7** events will continue to utilize the one-day, multiple-match format.

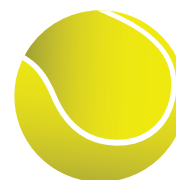

In **Junior Team Tennis**, USTA Colorado offers two levels of Challenger (A and B), to help make JTT matches more compatible for intermediate teams.

Players can register in Challenger A (CA) and Challenger B (CB) for both the Summer and Fall seasons of JTT.

Players who want to expand their team experience can also compete in **Team Events**, one-day events that feature two teams competing in a singles and a doubles match. Players sub in and out, gaining experience playing both singles and doubles, and having fun with their friends.

12s Challenger
divisions compete
with the **GREEN**
ball.

**14s-18s
Challenger**
divisions compete
with the **YELLOW**
ball.

ADVANCED COMPETITION

CHAMPIONSHIP

Taking it up a notch

Youth players who have successfully competed at the intermediate level and are ready to take their game up a notch will find new challenges at the **Championship/Level 6** level.

In addition to the dozens of Championship tournaments held in Colorado every year, there are also Championship divisions in JTT for youth who want a team experience.

The **YELLOW ball** is used for all age divisions, with a special **GREEN ball Championship Series** offered for Championship-level 12 & under players (see page 32).

High School singles players are likely to find compatible competition in Championship events.

SELECT COMPETITION CHAMPIONSHIP

The highest levels

Top-level players seeking to compete at the highest level in the six-state Intermountain Section can apply to compete in **Level 3/Level 4/Level 5**. These events feature a seeded draw and will be open to the highest-ranking players who apply.

the fun RETURNS!

Season starts June 8!

s = Singles
d = Doubles
MXd = Mixed Doubles
Junior age divisions 18/16/14/12/10

10s TAGGED

All 10s Tagged Events are part of the Youth Progression Series. Players will compete on a 60-foot court with an ORANGE ball until they have completed the ORANGE level and moved to the GREEN level. Indoor events are \$25/player, outdoor events are \$20/player.

NON TAGGED 10s

Non-tagged events will provide an opportunity for those 10 & under players who may not be quite ready for tagged event competition to get some valuable experience in a slightly less competitive environment. Indoor events are \$25/player, outdoor events are \$20/player.

GREEN BALL SERIES

The GREEN Ball Series is comprised of 12s Championships Events which will utilize the GREEN ball instead of the traditional YELLOW ball.

3v3 TEAM EVENTS

Returning in 2020, Team Events are designed for lower to upper intermediate competitors (see page 23).

FIND BY EXPERIENCE LEVEL

Each tournament is color-coded:

- Events in **BLUE** are Challenger/L7 events.
- Events in **BLACK** are Championship/L3-6.

There are no assigned levels in the 10s TAGGED division.

FIND BY NUMBER

For a full description of each tournament, please visit the event's home page using the Tournament ID, or **TennisLink #**, the online USA ID number (in **BLUE**) used for registration, information, draws and results.

ALL Colorado sanctioned events use the Active.com network. Visit [TOURNAMENTS.USTA.COM](https://www.tournaments.usta.com) and type in the corresponding TennisLink number to reach the event home page.

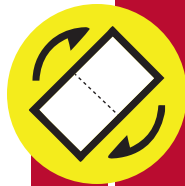

RANKINGS/STANDINGS

All junior sanctioned tournaments in Colorado are assigned a specific level, ranging from 3-7 (3 being the highest). Ranking/Standings points vary depending on the level of the event.

+ EVENTS: formerly known as "DESIGNATED"

Several Championship & Challenger-level events are worth additional Colorado junior ranking points. They are indicated with a **+** after the event name.

For an in-depth explanation of the Colorado Points Tables, Standings and Rankings, please visit [COLORADOTENNIS.com](https://www.COLORADOTENNIS.com).

*For best tournament viewing,
rotate Big Book to the right....*

When your son or daughter is ready to advance their game, junior tournaments are perfect for kids who want to test their skills, get out on the court and make new friends along the way.

USTA Colorado sanctions intermediate to advanced-competitive tournaments for players of all abilities seeking to take their game to the next level, or just have fun with friends. Challenger (Intermediate)-level tournaments are offered in both traditional competition and a "TEAM" format. All Challenger events feature multiple match draws.

Players that have achieved success at the highest level of competition in our state and have met the requirements for Intermountain Sectional Endorsement can be eligible for entry into USTA National-level events.

Verifying Tournament information online

Players are encouraged to verify all tournament information online. All information in the 2020 Big Book is accurate at the time of publication, but is not complete in terms of all details. You will find draws, times, weather announcements, entry fees, directions etc. on the tournament web page.

Reminder it is the players responsibility to obtain and verify all match times.

YOUTH PROGRESSION 2020

Track your points, get additional details, find FAQs, & more....
coloradotennis.com/YOUTHPROGRESSION

EARNED ADVANCEMENT Players competing in 7-10 year-old divisions in Colorado tournaments and Junior Team Tennis all begin on a 60-foot court using the **ORANGE** ball. In addition to playing right-sized tennis with modified racquets, balls and courts, kids track

their points online — earning “stars” and “trophies” as they progress/advance through the 10 and Under Youth Progression Pathway. Players can advance to the next stage by accumulating points, or when they turn 11 years old.

CRITERIA FOR ADVANCING THROUGH THE YOUTH PROGRESSION SYSTEM:

A player may elect to move to the next ball color by accumulating a combination of 20 virtual stars and/or trophies by meeting the following criteria:

A. Age Eligibility

A player is not eligible to earn stars and/or trophies until the player reaches the first day of the month of the player's seventh (7th) birthday. A player remains eligible to earn stars and/or trophies until the player reaches the first day of the month of the player's eleventh (11th) birthday. The age restriction for earning stars and/or trophies applies not only to tournaments but also to Junior Team Tennis.

B. Stars earned for participation in section/district-sanctioned 10s Tagged progression tournaments

- Tournaments must be sanctioned and Youth Progression 10s Tagged events in the 2019 schedule
- Sanctioned events will follow all criteria listed in rules and regulations in order for players to receive proper credit.
- Players will earn two (2) stars for each tournament they enter (100 points).
- Stars may be earned by completing a 10U Junior Team Tennis season (Summer and/or Fall).
- Players receive three (3) stars for competing in a JTT season, with up to two (2) JTT seasons per year (maximum total of six (6) stars or 300 points).

C. Trophies earned for results in section/district sanctioned 10s tagged progression tournaments

- Trophies, in addition to stars, may be earned by winning a sanctioned Youth Progression 10s tagged event in the 2019 schedule.

- Sanctioned events will follow all criteria listed in rules and regulations in or for players to receive proper credit.
- Players will also receive a trophy for being a finalist in a sanctioned Youth Progression 10s tagged event in the 2020 schedule.

D. Non-tagged events

- The 4 (four) non-tagged events will provide an opportunity for those 10 & under players who may not be quite ready for tagged event competition to get some valuable experience in a slightly less competitive environment. Players will not receive stars or trophies in non-tagged events.

E. Players may earn stars & trophies only for the ball color in which they competed

- A player will continue to accumulate stars and trophies until he/she is no longer age eligible.
- To get more practice, players can always participate in their previous ball color and level. However, stars and trophies will only be awarded for the new ball color and level.
- When a player earns 20 virtual stars and/or trophies, players will not progress to the next ball color until the USTA updates the youth progression system. Timing of updates is determined by USTA National. (System is updated every Tuesday)
- Players may view the accumulation of stars and/or trophies on their My Tennis Page. Players shall promptly notify USTA Colorado of corrections to their player record on My Tennis Page.
- When a player earns 20 virtual stars and/or trophies and progresses to the next ball color, that player will start at zero (0) credits in the new ball color
- For USTA Junior Team Tennis, players may

earn stars for the ball color and level they are currently in, whether playing orange or green ball 10U JTT.

F. Out-of-Section Youth Progression Tournaments

- Players can receive participation stars for playing outside their home section, provided the event is in the same ball color or level as the player regularly participates in. Players will not be eligible for trophies when playing outside home section.

10&UNDER COMPETITION YOUTH PROGRESSION

TAGGED EVENTS

All 10s Tagged Events are part of the Youth Progression Series. Players will compete on a 60-foot court with an **ORANGE** ball until they have completed the ORANGE level and moved to the **GREEN** level. The cost to compete in all indoor events is \$25, outdoor events are \$20.

Players who amass 1,000 points in the **ORANGE** division must continue to enter 10s Tagged Events, and can compete in either the **ORANGE** division or the **GREEN** division*.

*Most Colorado 10s Tagged Events are paired with 12s Challenger tournaments. If there aren't enough players to fill the 10s green ball draw, a player can elect to compete in the 12s Challenger division. Visit the tournament homepage — Tennislink # — or contact the tournament's director for details. Different entry fees may apply, and points do not update automatically. Contact Jason@coloradotennis.com to have your points adjusted.

ADULTS

Getting started

with tennis is easy and fun. Experience the game firsthand at Tennis Demo Days and at your local public or private tennis facility, many of which offer introductory programs and Tennis Socials to help introduce you to the sport.

There is no age limit to learning tennis.

Want a fantastic workout? Give **Cardio Tennis** a try. Classes keep players in their target heart-rate zone so they can burn the most calories and get the best workout possible in the hour-long sessions. Rather than being about "playing" tennis, it's more about training and the great cardiovascular workout the program provides.

And when you are ready to add fun and friendships to your workout routine, join a USTA Colorado League team or compete in a local tournament. There's no better way to **add years to life, and life to your years.**

SOCIALIZE | On court and off, you're guaranteed to make friends through tennis. The sport encourages interaction, communication and just plain fun. Plus, it's great for making business connections, too.

EXERCISE | The constant movement and action in tennis will burn calories, build muscle, increase bone strength, improve flexibility, fine-tune coordination and enhance overall health and fitness.

LEARN | Tennis requires alertness, tactical thinking and problem solving, and evidence suggests it may generate new connections between nerves, promoting a lifetime of continued development of the brain.

CHALLENGE | There's no other sport you can play throughout your lifetime from the earliest ages to your latest years that gives you the physical, mental, emotional and social benefits tennis gives you. Competitive tennis encourages you to take on new challenges and overcome obstacles.

THRIVE | Scientists and doctors around the world point to tennis as one of the healthiest activities you can participate in because it delivers overall physical, mental and emotional gains.

INTERMOUNTAIN
COLORADO

USTA Colorado offers the nation's largest recreational Adult League Tennis programs, with more than 40,000 players across the state. Play singles, doubles, or give mixed doubles a try. There are leagues for men, leagues for women, and even leagues that can lead you to a National Championship. You can find a team almost anywhere... in your town or city, through facilities, parks and rec centers, homeowners associations, and more.

Registration opens February 1 for all adult leagues. To register, or to get additional information — dates, deadlines or details — visit [COLORADOTENNIS.com](https://coloradotennis.com).

SPECIAL EVENTS COMING IN 2020!

Dink for Pink Charity Pickleball Weekend • May 30-31

Supporting breast cancer research, this charity event will feature women's doubles and mixed doubles to be conducted on The Broadmoor's dedicated pickleball courts. The event will include a fun pickleball pink-themed cocktail party.

Wine Tasting & Tennis Camp Weekends • August 7-9 and October 9-11

These camps will include a very unique evening at The Fish House at The Broadmoor with an accomplished Broadmoor sommelier. Located lakeside in the middle of the East Golf Course, this venue is truly magical.

Farm-to-Table Event & Wine Tasting Tennis Camps • August 28-30

Designed for 3.5-4.5 adults, this camp will include a special afternoon at Broadmoor Farms. After a tour of the herb and produce gardens, a Broadmoor chef will prepare an al fresco picnic lunch in this lovely garden setting.

TENNIS CAMPS INCLUDE:

- 4:1 student/pro ratio (players are grouped with others of their level)
- Intensive instruction and supervised match play
- Special camp gifts and lunch at The Broadmoor on one day for adult camps. Box lunch daily for junior camps
- Special two and three night package rates with luxurious Broadmoor accommodations included
