

## USTA FLEX LEAGUE INCENTIVE

Each season, submit what you're doing personally to promote Flex Leagues at your facility. At the end of every season, all registered Flex players will be placed in a drawing. If the player drawn is from your facility, you will receive \$200.

- The more players participating in Flex from your facility, the greater the chance you will have at winning \$200.
- You must submit an email explaining what you did to promote flex leagues.
- Submit email to [taylor@coloradotennis.com](mailto:taylor@coloradotennis.com) every session in order to be entered to win the drawing.
