USTA Adult 65 & Over Format: 3D	\$25	July 31 (Min 6 Players)	Aug 17	Aug 25	Oct 8

Due to Permanent Court Time (PCT) at indoor facilities, some locations may need to reduce the number of teams they are able to host. Along with this, it may be difficult to acquire indoor courts for league matches and players should assume that most league matches will be played on outdoor courts.

Darkness will become a challenge later in the season for Twilight. It will likely be necessary to start matches early (if courts are available) or to reschedule matches that have to suspend due to darkness. Players are allowed to use no-ad scoring if they agree.

The Twilight format will continue to be 1 singles and 2 doubles. Facilities with lights may stagger on 2 courts. Facilities without lights must provide 3 courts for each team match.
