How will the selections be done?

The 26 quota spots and alternates will be selected and ordered by the State Endorsers with assistance of the Junior Competition Committee. The top 4 finishers at the 10U Qualifying automatically qualify and the next spots are determined by the player's result at the Qualifying along with their Southern ranking upon completion of the qualifier. All players wanting to be considered for selection must have applied to the USTA Southern Championship in their age division. Players who receive Medical Waivers will be placed on the endorsement list, but will NOT automatically be endorsed.

How to find out if you are selected?

All applicants should check the individual tournament site for selections/alternates on Saturday, June 6th by noon. They will also be posted on the 10's Southern Closed Tournament website the afternoon of June 10th.

What if you are listed as an alternate for the BG 10's?

Once you have been chosen as alternate in the BG 10's you could be selected to the tournament if someone from the TN quota list is unable to go and notifies the tournament before the draw is made. Once the draw is made, Southern will order the alternates and ask alternates to fill in the draw based on that list as selected players are unable to come and notify the tournament. It is your responsibility to check.
