

A Future Music City Tennis Park

We Urgently Need Your Help!

Can you imagine the Greer Stadium site turned into a state-of-the-art tennis center with indoor and outdoor courts?

Tennis Nashville is proposing to re-purpose the Greer Stadium site into a state-of-the-art tennis center with indoor and outdoor courts and facilities. **Music City Tennis Park** would include 8 indoor court and 24 outdoor courts, with youth short courts incorporated into the plan. The courts will be placed in a beautiful park-like setting with walking paths and public viewing spaces. As a public/private partnership, **Music City Tennis Park** will become a fantastic regional hub of tennis activity, including community, collegiate and professional events.

Here is how you can help!

METRO Parks and Recreation Board will be hosting **Public Forums** to discuss re-purposing the Greer Stadium property. We need ALL tennis enthusiasts to attend those meetings and show METRO that this type of facility will be a positive addition to the community and put Nashville on the National Tennis map. Community support is VITAL for this proposal to move forward.

Two Public Forums are scheduled to be held at the **Adventure Science Center**, 800 Fort Negley Blvd., Nashville, TN 37203. The first is **Wednesday, September 21, 2016 at 5:30 pm**. The second is **Saturday, September 24, 2016 at 8:30 am**.

Can we count on your help? Please show up for one or both of these meetings!

Tennis Nashville, our local Community Tennis Association (CTA), is working to grow the sport of tennis in Middle Tennessee. Please visit www.tennisnashville.net for up-to-date tennis information and sign up for informational emails!
