DEVELOPING TENNIS PLAYERS

USTA TENNESSEE DEVELOPMENTAL CAMPS

WHAT ARE JUNIOR DEVELOPMENTAL CAMPS?

Junior Developmental Camps focus on the following:
Player enrichment, Team environment, Parent education, Skills, Match play
and the USTA Tennessee junior pathway.

These are fun and engaging tennis camps conducted by some of the best local tennis professionals. This is the first step for USTA player development to identify talent and promote 10 and under tennis growth, and is an excellent opportunity for players to get together to practice, compete, and develop camaraderie.

Local junior developmental camps benefit both players that participate in Junior Team Tennis and Junior Tournaments as well as those who are not currently participating in USTA programming.

Participants will be grouped by skill level, and there will be a ration of 1 coach to every 6-8 players. Players who participate in the local developmental camps have an opportunity to be selected for the regional early development camps (EDC's) that take place in early 2016.
