

Thank You For Being a Captain!

Dear Captain,

On behalf of the United States Tennis Association, thank you for being a USTA League Captain! Your passion and dedication to the League program plays a large role in keeping it—and the sport of tennis—growing strong. As a Captain you know better than anyone that when you find yourself in the game, you find friends and special memories that last a lifetime. And because you took the time to be a Captain, you've helped others to experience the thrill of our sport as well.

As captains ourselves, we know the challenges involved in leading a team, but we also know how great the feeling is when you see your team come together, compete hard, and experience all the wonderful things that tennis has to offer. We applaud your efforts, and thank you for helping others find themselves in the game.

Again, thank you for being a USTA League Captain. We hope you enjoyed the experience and look forward to welcoming you back as a Captain next season.

Sincerely,
