

United Way of Rockingham County partners with 17 non-profit agencies across Rockingham County to assist in funding 31 different programs and services for our community. The United Way of Rockingham County (UWRC) is how our community comes together to assist our neighbors in meeting needs and problem solving. **“Local people, raising Local dollars, to meet Local needs”**.

Proceeds from this tournament will help fund the UWRC’s mission to support our partnering agencies with their efforts to improve our local community for all those who live in Rockingham County. The programs and services we help to fund must display sustainable outcomes which improve the lives of Rockingham County citizens.

Each program or service must one of three goal areas: Education, Health & Safety, or Financial Stability. It is through this focus UWRC works to have a sustaining impact for all.
