FORTY NEW YOUTH TENNIS COURTS IN ROCKINGHAM COUNTY!

Thanks to a free USTA Line Grant, FORTY new youth tennis courts were painted in December on blacktops and playgrounds across Rockingham County by Quality Seal Coating and Court Surfaces.

Along with the youth tennis courts at Williamsburg Elementary School, Reidsville (4 courts) and the Eden Family YMCA (3 courts.), Rockingham County now has 47 free standing red ball tennis courts at seven elementary schools, one middle school, the Boys & Girls Club of Eden, the new Reidsville Salvation Army recreation center, and the Eden Family YMCA. Full size tennis courts at Jaycee Park in Reidsville and Western Rockingham YMCA have permanent blended lines for both red ball and orange ball courts.

These free standing 36 by 18 foot courts are designed for the USTA's red ball format using a pop-up net, red foam or red felt ball and 19- to 23-inch racket.
