TWO Summer Youth Tennis Camps in Rockingham County!

Our Rockingham County youth tennis community has been growing all year long. This school year we met over 350 kids in our after school Kids Tennis Clubs at 17 locations. Forty young players played matches on the court at Jaycee Park in Reidsville on Sunday afternoons during May as part of our USTA Junior Team Tennis program.

Summer is the perfect time for young players to begin to learn to play or polish their tennis skills and we have TWO summer camps in our county to help.
