1st session: June 8 - July 13

2nd session: August 3 - September 7

The women's league will be played on Tuesdays at Holliday Park from 6:00 - 8:00.

2nd session: August 1 - September 5

CTA is planning a barbecue for Tuesday, May 30 to kick off the summer leagues. Hot dogs, beans and chips will be served.

CTA hopes to get league registration into the indoor facility in April. Also hoping to advertise on Facebook, in the newspaper and possibly the F.E. Warren AFB news paper.

Greg Gautreau will coordinate the men's league. Jill Guthrie and Jan Delorey will coordinate the women's league.

Governor's Cup

Official date: June 30 - July 2. We might have to pay a fee for the tournament to appear on the USTA tournament page.

Dave has reserved the pavilion at Holliday Park. Do we still need to reserve the courts?

We still need to get the liquor permit from the city.

Andy's draft of the sponsorship brochure looks great! We still need to set up the online payment part.

Trent will get prices for shirts for Governor's Cup. Dave will look for mugs as trophies.

Advertising for Governor's Cup - we would like to try advertising on Facebook and in the newspaper. We may also make posters.

Food for the tournament currently looks like this:

Friday night: Dominos Pizza

Saturday breakfast : Mort's Bagels

Saturday lunch: brisket by Dan and Jan Delorey

Saturday night: Players' party at the Cheyenne Country Club

Sunday breakfast: burritos

Sunday lunch: Jimmy John's

Trent will contact Mort's and Jill will contact Dominos and Jimmy John's. It is yet to be determined who is making burritos. John will be in charge of alcohol.

Josh Cossitt addressed the board about concerns he has regarding individuals representing themselves as CTA member or board members. These individuals have gone to the city and inquired about his contract and have shown up at the club with someone to give a bid on painting. These actions have a negative impact on Josh and Chad's ability to earn a living. Josh also stated he would like the tournament director of the Governor's Cup to be someone from the Cheyenne community.

The next CTA is scheduled for Monday April 3rd @ 6:00 p.m.
