 - If more than one team has a mathematical chance of winning their round robin, and the first place team has already beaten the other teams with a mathematical chance of winning, the 1st place team would be considered the round robin winner as the head-to-head winner.
 - If a round robin winner cannot be determined, and each team in a round robin has been given the opportunity to complete a minimum of one team match, only teams with a mathematical chance of finishing first will receive an entry into a drawing. Undefeated teams will receive a second entry into the drawing.

Team(s) that have clinched (won a majority of individual matches) in their first round of playoffs will be considered the winner of the playoff match and will also receive two entries into the drawing and the losing team(s) will be excluded from the drawing.
 - If cancellation occurs during the second round of playoffs, all teams that have not had their team match decided will receive an entry in the drawing to determine one state champion. Any winning team that has completed their second round match will also receive one entry into the drawing and the losing team will be excluded from the drawing.
 - Once the finalists are determined, both teams will be told how the champion will be determined by the USTA Georgia Director of Leagues, should cancellation occur after the finals have begun play.
 - If cancellation occurs once the finalists have been determined, but play has not begun, both teams can agree to meet at a mutual location and time to play for the state championship.
