

United Way of Seneca County

Out of School Time – Agenda – Parents & Community

Introduction of United Way staff and thanks

Share expectations for meeting:

- 1) Share opportunity to participate in planning grant, funded by JC Penney Afterschool, through United Way Worldwide*
- 2) To listen to and learn from them, regarding their hopes for their children, and the community, for how we can help enrich the Out of School Time*
- 3) Set up a process to work together addressing concerns and sharing on ideas on how to move forward*

Ask for people to share their first names and what they enjoy doing in their ‘free time’

Questions:

- 1) What kind of education do we want for our kids, especially in middle and high school?
- 2) How are things going when it comes to addressing those goals?
- 3) What is keeping us from getting those kinds of experiences and opportunities?
- 4) What could be done differently that would make a difference?
- 5) How can you help be a part of that change?
- 6) Do you have any questions about the grant we’ve just presented, the process we’ve undertaken, or next steps?
