

VERTILUX TECHNOLOGY & INTEGRATION

VERTILUX SERIAL INTERFACE

6-700-AT-R1485

TECHNICAL SPECS	6-700-AT-R1485
Model	6-700-AT-R1485
Dimensions	5.5x5.5x1 inch
Color	White and silver
Power Input	12V DC
Rated Current	1A
RadioFrequency	433.92MHz
Index Protection Rating	IP20
Power Supply	AC100-240V to 12VDC 50/60Hz 0.5A
Radio Coverage	100 feet (free field)
Working Temperature	-17°F / 140°F
Compatibility	Celtic II RF/Radio Built in motors
Packing	Vertilux Serial Interface Power supply

- Designed for integration with the leading automation system.
- Easily integrate shade control into most 3rd party automation systems capable of communicating via RS485 or RS232.
- Capable to handle up to 16 channels per unit, increase this number by daisy chaining up to 16 Vertilux Serial Interfaces for a total of 256 channels.
- Desktop or wall mounted installation
