What's New In?

Customize Open & Save Dialogs is an application designed to provide users with the ability to customize the folders that can be opened and saved. The application allows for the user to redefine the 'Open' and 'Save' dialogs, making it very easy to include custom folders in the list of folders that can be opened and saved. The user can add up to 5 custom folders under the "Favorite Links" folder and even allow the user to redefine the folder to use as the default "Open" and "Save"

dialog. How to use Customize Open & Save Dialogs: 1. Go to Start > My Computer. 2. Click Open in Customize Open & Save Dialogs to display the list of your favorites. 3. Click the Create Button to create a new folder. 4. Click the "Add to Favorite Links" Button to place the new folder on your favorites list. At this point the new folder will appear on the Favorites list under the "Favorites Links" tab. To change the appearance of the 'Open' and 'Save' dialogs, simply click the 'Open' and 'Save' buttons of the new folder to change the appearance. Please refer to the screenshots below for more details. 1. Click the "Add to Favorites

Links" button 2. Select any folders to be included in the Favorites list. All Folders can be selected in the order they will appear in the Open/Save dialogs. When selecting multiple folders, all folders will appear in alphabetical order. When adding a folder to the list, it will be added in the order it is selected. 1.
