"a gorgeous and engrossing experience that truly captures the power of the Lands Between" IGN (8/10) (PC) "It's a game that's incredibly stylish and addictive, but it's also a game that can be downright scary, something that is much more engrossing in how and why it happens." Eurogamer (8/10) (PC) "... manages to capture the beauty of the world with rich eye-candy." Gamespot (9/10)

(PC) "A vibrant world filled with magic and monsters that's also easy to get lost in" GamesMaster (8.5/10) (PS3) "The layers of gameplay here are the greatest we've ever seen." PC Magazine (4/5) "I loved the story and gameplay. And then I was scared to death." GamesTM (8/10) (Xbox 360) "Fills its varied offering of setting and mechanics with so much detail and ambition that it feels like a genuine fantasy masterpiece" GamesMaster (9/10) (Xbox 360) "Fantasy combat is the cherry on top of an excellent piece of world building that is everything you hoped for and much, much more" PC Magazine (9/10) (Xbox 360) "S.T.A.L.K.E.R. 2: Call of Pripyat is one of the most engrossing, beautiful games of the year." IGN (8.5/10) (Xbox 360) "I had no idea going into my first playthrough that my experience would change so drastically" GamesTM (8/10) (Xbox 360) "S.T.A.L.K.E.R. 2: Call of Pripyat is an extremely well-crafted FPS that offers up all the hardcore FPS elements and then some." Gamespy (9/10) (Xbox 360) "It's one of the most original first-person shooters on the market today." EG NEWS (9/10) "S.T.A.L.K.E.R. 2: Call of Pripyat excels in both design and mechanics, creating a very memorable experience. bff6bb2d33

Every time a certain chapter comes to a close, I'm excited to pick up where I left off the day before. However, sometimes the chapters will conclude before the storyline gets a chance to leave us hanging with a cliffhanger. I'm starting to get a lot of curiosity about these end chapters, so I thought it would be fun to ask our writers what their thoughts are on the end chapter. Kad asked: Many of my readers and fans have told me they would like more discussion on the end to my chapters. My last chapter was actually a comment from a reader, which means it's a request from a reader, so I'm curious: Why do you write end chapters? Do you do them because you've always done them and are good at writing them, or do they make your writing better? I've never thought about it before, and have always just written them. Maybe it's because I just started out, maybe they are lazy, I don't

Fleshed Flesh, a word first turned up around the year 1300, may have come from the Middle French word farce, from Late Latin fallacia, literally the deceptive act or performance. Farce is from farcere, meaning to deceive, from farcir, to deceive. Farce, a strolling player's juggling act, is what used to go by the name before the farcical comedy of Molière and others came into its own. In 1848, when Ben Jonson used the term in his play The Alchemist, he meant it to allude to the crudeness of certain young men's acting—though the word was also a much-repeated synonym for actors in general. [A]t an early stage of their life they have been taught the art of misleading and deluding others; and now, with the utmost art of acting, encourage and maintain a belief in truth where it really does not exist. In 1626, Ben Jonson used farce to refer to juggling generally: "Either a good song, a brave play, a merry farce, or else a worthless, a malicious, squib, or a trivial declamation; 4. Somewhat in this sense the word entered
