To whom it may concern...

**Letter of commendation for excellent service.**

As a Director of both Pro-Active Public Services College (Pty) Ltd and Pro-Active Assessment and RPL College (Pty) Ltd, I would like to personally thank you for your outstanding performance during the previous two years.

Being a Nerds on Site client ensures that I have absolute peace of mind regarding the operational IT needs of the organisations within our group. The expert advice and dependable support that is offered by Nerds on Site is a major asset to the Pro-Active Group.

Due to the services offered by Nerds on Site IT is perceived as one of the competitive advantages of our organisation rather than the major stumbling block that most other companies of our size perceive it to be.

I believe that the Pro-Active Group will still have a long and prosperous relationship with Nerds on Site.

Yours faithfully,

**Hettie Mostert**
