

# 2017 YHS SOFTBALL SUMMER CAMPS

These four days of camp will focus on individual skill development in the areas of fielding, throwing, catching, hitting, and base running. Girls will have multiple opportunities to enhance their skills in a positive and fun learning environment, using challenging yet age-appropriate drills. This camp will allow players to interact with the YHS softball staff and both current and former varsity players. We look forward to teaching "YHS Foxes Softball" to all who attend!
