

## PROGRAM REGISTRATION FORM

Lorain City Schools wants to assist community based sports organizations in getting information out to students and parents about the various program offerings throughout the city. To be able to promote your program on <http://lorainathletics.org/> you will need to submit a registration form. This information will be posted to the "Community Programs" tab of the website. It will also allow you to submit informational fliers about upcoming programming that will be posted to our message board.
