RE: End of Year Report

The student athletes of the 2013-14 school year have continued to build on the traditions of the past while raising the bar higher for future generations. As with previous years, student athletes have continued to reap the benefits of participation in interscholastic athletics including character, discipline, leadership, teamwork, and sportsmanship. The Fenton Area Public School District coaches continue to expect our student athletes to be quality citizens, model students and hard-working athletes; and our athletes have answered that call.

The Fenton Area Public Schools' athletic program has many people to thank for its continued success this year. The first and most obvious goes to the coaches for their countless hours of dedicated service both on and off the field.

The next note of thanks goes to Mitch Smelis who has been with Fenton High School, via Physiotherapy Associates, for seventeen years and continues to go above and beyond the call of duty for our student athletes in order to best ensure their safety and speedy recovery from injuries. Additionally, Mitch has taken the lead on CPR/AED training in our district and has been instrumental in providing training to coaches and staff alike.

In addition, Tina Imeson coordinates the many tasks of the athletic department. Here are just a few of the many jobs that Tina does to help the athletic department run smoothly: on a daily basis she provides the coaches and me with the comfort of knowing that paperwork will be on time and completed accurately, that schedule conflicts will be minimal or avoided due to the double checks she makes, that cash boxes, rosters, and eligibility are ready and accurate, and that officials will be here for scheduled contests because she has verified their schedules.

Finally, I would like to thank the administration, including you, the Board of Education; High School Principal, Mr. Mark Suchowski; High School Assistant Principal, Mrs. Laura Lemke; AGS Middle School administrators Mrs. Heidie Ciesielski and Mr. Eric Rettenmund, and Superintendent, Dr. Timothy Jalkanen for their continued support, confidence and leadership that enables me to do the best job I can for the student athletes of Fenton Area Public Schools.

As you will see in the attached pages, Fenton Area Public Schools has had another very successful year in athletics. We recently secured our eleventh straight Flint Metro League All-Sports title while capturing numerous league and state accolades.

Respectfully Submitted,
Michael S. Bakker
