

Locker Donor!!
You can own your own locker!!

If you are a former Lumberton High School athlete/coach or wish to dedicate a locker to a former player/coach, now is the time!!

The athletic department is selling plaques on the field house lockers commemorating past and present Pirate athletes/coaches. Your one time donation of \$300 will reserve your locker with your name, sport and year.

This plaque will remain on a designated locker throughout the years to remind future Pirates of the past and the rich tradition of Lumberton High School Athletics.
