

**APPLICATION FOR WAIVER
OF
ATHLETIC PARENT RESIDENCE RULE / FOUR YEAR RULE**

Revised July 2011

Athletic Parent Residence Rule:

When a student is living with a parent (married but living apart), a guardian, or attending a school outside the attendance zone boundaries, where his/her parent(s) resides, the student must apply for a waiver.

Q's: Why is the student not living with both parents or a legal guardian (legal guardianship and residence must be in effect for a least one calendar year)? Why is the student not enrolled in the designated attendance zone school? Explain why student's move was involuntary and unavoidable. Include any records or documents of child abuse, neglect, mistreatment, or other unusual circumstances that affected student and /or parent, etc.

Four-Year Rule:

When a student does not comply with the four-year rule because he/she has not met the requirements for graduation four years after his/her first entry into the ninth grade, and has not been able to participate in a specific activity for a season, that student may apply for a waiver. A chronology of previous enrollment and participation must be submitted with this application. Only applications revised as of July 2011, will be accepted.

NOTE: There is no four-year waiver for an overage student unless he/she qualifies for an over-age waiver (Section 463 (a) 3 of the C & CR).

Q's: Why does the student need a fifth year of school to graduate? Was student and/or parent incapacitated due to illness, accident or incarceration? How? When? Where? Length of time? Was student's parent transferred outside continental United States? Any other unusual circumstances that affected student's ability to go to school? etc.
