Welcome to the Online Forms for Dallas ISD

Dear Parents,

We would like to thank you for taking part in the new process of submitting athletic pre-participation paperwork online. This new automated process will allow us to be more efficient in handling the forms as well as saving valuable resources. Dallas ISD and the UIL require the parent/legal guardian to complete the following electronic forms every year.

All forms will be submitted electronically except for the UIL - Pre-participation Physical and Medical History form which will be turned into your High School Campus Athletic Trainer or Middle School Coordinator.

All athletes in 7th – 12th grade must have an annual physical exam by a Doctor to participate in athletics, practices, or games.

The UIL - Pre-participation Physical evaluation – Medical History form may not be completed prior to May 1st of the previous school year.

No student athlete will be allowed to begin participating in athletics or after school workouts until all online forms and medical paperwork are on file with your High School Campus Athletic Trainer or Middle School Coordinator.

If you have any questions, please contact your High School Campus Athletic Trainer or Middle School Coordinator.

7. For the **UIL Forms Signature Page**, you must click on each of the 5 forms and fill them out with signatures before you can submit the form. You might have to download the five forms to sign them electronically.
