#### **Disciplinary Consequences**

All Wheeler High School student athletes should be familiar with Cobb County School District Administrative Rule JJICA. Wheeler High School will follow all Cobb County Administrative rules regarding student conduct and participation in extracurricular activities. In addition, each team has established a set of rules and disciplinary consequences for infractions of these rules. The Wheeler High School Administration supports the development and implementation of behavior rules for each team. Student Athletes can be removed from teams by a coach or the administration for violation of team, school or county rules at any time.

I have read the information from above and agree to adhere to the guidelines laid out in them.
