The Raider golf camp will kick off the 2017-2018 golf season. Oak Valley Golf Course will be hosting as we emphasize the scoring shots in golf, those from within 100 yards of the green. There will be instruction on putting, chipping, pitching, and short iron play.

The plan is for the players to be in four groups.

1. Playing the 9 hole par 27 course
2. Putting
3. Chipping/Pitching
4. Mid and short irons on the range

We will be rotating as the morning moves on. There will be additional instruction on etiquette, rules, game improving practice methods, and mental skills.
