

Norwayne Athletic Booster Membership 2015-2016

Thank you for your time and effort in helping make the Athletic Booster Program at Norwayne a beneficial program for coaches, athletes, sports programs and facilities. It is because of your participation that the Booster Program exists.

In the past the Booster program has purchased team uniforms, team equipment, and team meals. The Booster program also provides a scholarship to an outstanding male and female athlete. What a great investment in our youth for such a small amount, just \$25.00 per membership.

Please seriously consider becoming a Booster Member today, and consider getting someone else to become a Booster member as well. With each membership, you are invited to attend each monthly meeting held on the second Monday of each month, with a voice in any matters that come before the Organization. Please remember that volunteers are always needed to help with concession activities and fundraising. We need everyone's support! (This is an annual Membership)

Thanks!

Dale Stahl
Athletic Booster President
