

STUDENT TRANSPORTATION RELEASE AND CONSENT FORM

While the Cherokee County School District provides transportation through the utilization of the District bus fleet for many extracurricular events, in some cases school sponsored transportation is not available. In those instances, it is necessary for the parent/guardian to make arrangements for transportation. The Cherokee County School District strongly discourages students from riding with other students to and from extracurricular events.

I, _____, parent or guardian of _____ (student) hereby give my permission for my student to provide his/her own transportation to/from extracurricular events, and I, parent/guardian of the student listed above, hereby give my permission for my student to ride with another parent, including coach/sponsor to/from extracurricular events.

CONSENT AND RELEASE

I hereby consent on behalf of the student named above to participate in school-sponsored trips. I understand that transportation may or may not be provided by the Cherokee County School District. In the event transportation is not provided by the Cherokee County School District, transportation will be the student's and parent's/guardian's responsibility. If any emergency medical procedure or treatments are required by the student during the trip, I consent to the trip's supervisor taking, arranging for or consenting to the procedures or treatment in his or her discretion. I further release and waive and further agree to indemnify and hold harmless and reimburse the Cherokee County School District, the Board of Education, its successors and assigns, its members, agents, employees, and representatives thereof, as well as the trip supervisor from and against any claim which I, any other person, firm, corporation, or entity may have or claim to have, known or unknown, directly or indirectly, from any losses, damages or injuries arising out of, during, or in connection with the student's participation in the activity, any trip associated with the activity, or the rendering or emergency medical procedures or treatment, if any.

STUDENT ATHLETE CONCUSSION DIAGNOSIS AND MANAGEMENT PROGRAM

I have read the information concerning usage of the Immediate Post-Concussion Assessment and Cognitive Testing (ImPACT™) and understand its contents. I have been given an opportunity to ask questions and all have been answered to my satisfaction. I understand that participation in the ImPACT™ concussion baseline testing is highly recommended but not required for athletes in Cherokee County schools. I also understand that the ImPACT™ testing is merely a tool to assist Medical Professionals in the diagnosis and subsequent treatment of potentially serious injuries, the ImPACT™ testing IS NOT a substitute for treatment by a medical professional. I acknowledge that if my child is suspected of receiving a concussion causing injury, my child WILL NOT be allowed to participate in athletics until cleared by a medical doctor.

Please INITIAL one of the choices below, sign and date:

_____ YES, I give permission for my child, _____, to participate in baseline testing with the ImPACT™ program.

_____ NO, I do not give permission for my child, _____, to participate in baseline testing.
