PRIVATE TRANSPORTATION RELEASE

Parent: _____ Student: _____

Event: _____ Date of Event: _____

Driver of the private vehicle will be: _____

This letter is to confirm your decision to allow your child to be transported via private transportation to and/or from the above event in which your student is participating on behalf of the Bonita Unified School District.

A parent may allow his/her child to be transported in a private vehicle to and/or from a school activity, with permission of school administrators. Please be advised that Bonita Unified School District is not responsible for any aspect of the child's private transportation and undertakes no duty to supervise his/her safety or otherwise monitor his/her activities in coming to or leaving the event. In addition, should you elect to permit your child to be transported in a vehicle driven by another parent, you will assume all liabilities associated with the driver's actions, or, in the event of an accident, their injuries.

Section 44808 of the California Education Code specifically states that a school is not liable for the safety of – or responsible for the conduct of – students while off school premises unless it has undertaken to provide transportation and provides transportation services. To the extent you have elected to make private arrangements to go to and/or return from a school event, Bonita Unified School District is in no respect responsible for his/her safety or liable for his/her actions or omissions to act. In the event Bonita Unified School District is drawn into a dispute over his/her actions while traveling to and/or from the event, we would need to look to you and to your carrier for defense and indemnification.

Please signify your understanding of these matters by dating and signing this letter. Your child is responsible for turning in the Private Transportation Release to their Teacher/Site Administrator before leaving for the event. A signature from both you and your student is required.

Respectfully yours,

Nanette Hall
Assistant Superintendent
Educational Services
