

NCAA ELIGIBILITY CENTER QUICK REFERENCE GUIDE

NCAA Division I Initial-Eligibility Requirements

Core Courses: (16)

- **Initial full-time collegiate enrollment *before* August 1, 2016:**
 - Sixteen (16) core courses are required (see chart below for subject-area requirements).
- **Initial full-time collegiate enrollment *on or after* August 1, 2016:**
 - Sixteen (16) core courses are required (see chart below for subject-area requirements).
 - Ten (10) core courses completed before the seventh semester; seven (7) of the 10 must be in English, math or natural/physical science.
 - These courses/grades are "locked in" at start of the seventh semester (cannot be repeated for grade-point average [GPA] improvement to meet initial-eligibility requirements for competition).
 - Students who do not meet core-course progression requirements may still be eligible to receive athletics aid and practice in the initial year of enrollment by meeting academic redshirt requirements (see below).

Test Scores: (ACT/SAT)

- Students must present a corresponding test score and core-course GPA on the sliding scale (see Page No. 2).
 - **SAT:** critical reading and math sections.
 - Best subscore from each section is used to determine the SAT combined score for initial eligibility.
 - **ACT:** English, math, reading and science sections.
 - Best subscore from each section is used to determine the ACT sum score for initial eligibility.
- All ACT and SAT attempts *before* initial full-time collegiate enrollment may be used for initial eligibility.
- Enter **9999** during ACT or SAT registration to ensure the testing agency reports your score directly to the NCAA Eligibility Center. Test scores on transcripts will not be used.

Core Grade-Point Average:

- Only core courses that appear on the high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org) will be used to calculate your core-course GPA. Use this list as a guide.
- **Initial full-time collegiate enrollment *before* August 1, 2016:**
 - Students must present a corresponding test score (ACT sum score or SAT combined score) and core-course GPA (minimum 2.000) on Sliding Scale A (see Page No. 2).
 - Core-course GPA is calculated using the **best 16 core courses** that meet subject-area requirements.
- **Initial full-time collegiate enrollment *on or after* August 1, 2016:**
 - Students must present a corresponding test score (ACT sum score or SAT combined score) and core-course GPA (minimum 2.300) on Sliding Scale B (see Page No. 2).
 - Core-course GPA is calculated using the **best 16 core courses** that meet both progression (10 before seventh semester; seven in English, math or science; "locked in") and subject-area requirements.

DIVISION I Core-Course Requirement (16)	
4	years of English
3	years of math (Algebra I or higher)
2	years of natural/physical science (1 year of lab if offered)
1	year of additional English, math or natural/physical science
2	years of social science
4	years of additional courses (any area above, foreign language or comparative religion/philosophy)

DIVISION I – 2016 Qualifier Requirements	
<i>*Athletics aid, practice, and competition</i>	
•	16 core courses <ul style="list-style-type: none"> ○ Ten (10) core courses completed before the start of seventh semester. Seven (7) of the 10 must be in English, math or natural/physical science. <ul style="list-style-type: none"> ▪ "Locked in" for core-course GPA calculation.
•	Corresponding test score (ACT sum score or SAT combined score) and core-course GPA (minimum 2.300) on Sliding Scale B (see Page No. 2).
•	Graduate from high school.

DIVISION I – 2016 Academic Redshirt Requirements	
<i>*Athletics aid and practice (no competition)</i>	
•	16 core courses <ul style="list-style-type: none"> ○ No grades/credits "locked in" (repeated courses after the seventh semester begins may be used for initial eligibility).
•	Corresponding test score (ACT sum score or SAT combined score) and core-course GPA (minimum 2.000) on Sliding Scale B (see Page No. 2).
•	Graduate from high school.

NCAA ELIGIBILITY CENTER QUICK REFERENCE GUIDE

Division II Initial-Eligibility Requirements

Core Courses

- **Division II currently requires 16 core courses.** See the chart below.
- **Beginning August 1, 2018**, to become a full or partial qualifier for Division II, all college-bound student-athletes must complete the 16 core-course requirement.

Test Scores

- **Division II** currently requires a minimum SAT score of 820 or an ACT sum score of 68. **Beginning August 1, 2018**, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA). The sliding scale for those requirements is shown on Page No. 2 of this sheet.
- The SAT score used for NCAA purposes includes **only** the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a **sum** of the following four sections: English, mathematics, reading and science.
- **When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.**

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's approved List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- The current **Division II** core GPA requirement is a minimum of 2.000. **Division II** core GPA required to be eligible for competition on or after August 1, 2018, is 2.200 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).
- The minimum **Division II** core GPA required to receive athletics aid and practice as a partial qualifier on or after August 1, 2018, is 2.000 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).
- Remember, the NCAA core GPA is calculated using NCAA core courses only.

DIVISION II 16 Core Courses	
3	years of English.
2	years of mathematics (Algebra I or higher).
2	years of natural/physical science (1 year of lab if offered by high school).
3	years of additional English, mathematics or natural/physical science.
2	years of social science.
4	years of additional courses (from any area above, foreign language or comparative religion/philosophy).

NCAA REQUIREMENTS FOR DIVISION I & II ELIGIBILITY

Attention Prospective College Student-Athletes: We have provided answers to some of your most frequently asked questions about participation in college sports and the Clearinghouse process.

What Do I Need To Do and When?

- ☺ **Grade 9**
 - Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.
- ☺ **Grade 10**
 - Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.
- ☺ **Grade 11**
 - Register with the eligibility center.
 - Make sure you are still on course to meet core-course requirements (verify you have the correct number of core courses and that the core courses are on your high school's 48-H with the eligibility center).
 - After your junior year, have your high school guidance office send a copy of your transcript. If you have attended any other high schools, make sure a transcript is sent to the eligibility center from each high school.
 - When taking the ACT or SAT, request test scores to be sent to the eligibility center (the code is "9999").
 - Begin your amateurism questionnaire.
- ☺ **Grade 12**
 - When taking the ACT or SAT, request test scores to be sent to the eligibility center (the code is "9999").
 - Complete amateurism questionnaire and sign the final authorization signature online on or after April 1 if you are expecting to enroll in college in the fall semester. (If you are expecting to enroll for spring semester, sign the final authorization signature on or after October 1 of the year prior to enrollment.)
 - Have your high school guidance counselor send a final transcript with proof of graduation to the eligibility center.

Why do I need to register and be certified? If you intend to participate in athletics at a Division I or II school as a freshman, you must be registered with and be certified as eligible by the NCAA Initial-Eligibility Clearinghouse. Please note that initial-eligibility certification pertains only to whether you meet the NCAA requirements for participation in Division I or II athletics and has no bearing on your admission to a particular Division I or II institution.

To be classified as a qualifier under NCAA standards, you will need to graduate from high school with a diploma, have successfully completed the core courses, met the GPA/test score requirements, completed an amateurism survey and have abided by all amateurism rules.

DIVISION I-A/ DIVISION 1-AA -- 16 core Courses

4 years of English

3 years of Math (Algebra 1 or higher)

2 years of Natural or Physical Sciences with lab

1 extra year of English, Math or Science

2 years of Social Studies

4 years of extra core courses (these include, Math

English, Science, Social Studies, Foreign Language, non-doctrinal religion or philosophy)

* Use the NCAA worksheet to determine your GPA and then look on the NCAA Website for the **Guide for the College-Bound Student-Athlete** to determine GPA and Test score sliding scale requirements (<http://www.ncaapublications.com/productdownloads/CBSA.pdf>)

DIVISION II -- 14 Core Courses

3 English

2 Math credits (Algebra 1 or higher)

2 Science Credits

Additional Credit - English, Math, or Science

2 Social Studies Credits

3 Additional Credits from any area above, Foreign

Language, or non-doctrinal religion/ philosophy

For the most current information on these and other NCAA Clearinghouse requirements, please see the NCAA website for initial-eligibility requirements.

In Division II there is NO Sliding scale.

The minimum core GPA is 2.000

The minimum SAT score is a 820 (Verbal + Math) or

The minimum ACT score is a 68 (English + Reading + Math + Science)

When should I register? You should register with the Clearinghouse whenever you decide you would like to participate in athletics as a college freshman. It generally is best to register after your junior year grades appear on your transcript. Although you can register anytime prior to participation, if you register late, you may face delays that will prevent practicing and competing.

How do I register? You will need to complete registration on line at www.eligibilitycenter.org. Also, you will need to print out and bring a signed copy of the student release form to the guidance office so that your transcript may be sent to the Clearinghouse.

What if I have attended more than one school? If you have attended multiple high schools since ninth grade, each school will need to send your official transcript to the Clearinghouse. You will need to send copies of your student release form to the guidance office at the other schools you attended.

Are standardized test scores required? Qualifying SAT /ACT scores are required for participation in both Division I and II institutions. You are required to have your scores sent directly from the testing agency using code 9999. NCAA no longer accepts ACT or SAT scores from the high school transcript.

How can I arrange for my scores to be sent directly from the testing agency? When you register to take the ACT or SAT, you can mark code 9999 so that the Clearinghouse will be one of the institutions receiving your scores, or you can submit a request and fee for an additional score report to the appropriate testing agency by indicating code 9999 on your request form.

Should I take the ACT with the writing portion? The writing portion of the ACT is not required for NCAA eligibility. However, it may be required for college admission.

What will the Clearinghouse provide to those institutions that are recruiting me? The Clearinghouse will send your eligibility status to any Division I or II institution that requests it provided you give permission on your student-release form.

How can I check on the status of my file at the Clearinghouse? When you complete the student-release form be sure to enter your Social Security Number and a four digit Personal Identification Number (PIN). After you submit your form, you will then be able to call the 24-hour voice response service at 1-877-262-1492 and access your record using a touch-tone phone.

Division I Worksheet

This worksheet is provided to assist you in monitoring your progress in meeting NCAA initial-eligibility standards. The NCAA Eligibility Center will determine your official status after you graduate. Remember to check your high school's list of approved courses for the classes you have taken. Use the following scale: A = 4 quality points; B = 3 quality points; C = 2 quality points; D = 1 quality point.

English (4 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Example: English 9	.5		A		(.5 x 4) = 2

Total English Units

Total Quality Points

Mathematics (3 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)
Example: Algebra 1	1.0		B		(1.0 x 3) = 3

Total Mathematics Units

Total Quality Points

Natural/physical science (2 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)

Total Natural/Physical Science Units

Total Quality Points

Additional year in English, mathematics or natural/physical science (1 year required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)

Total Additional Units

Total Quality Points

Social science (2 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)

Total Social Science Units

Total Quality Points

Additional academic courses (4 years required)

Course Title	Credit	X	Grade	=	Quality Points (multiply credit by grade)

Total Additional Academic Units

Total Quality Points

Core-Course GPA (16 required)

Total Quality Points	Total Number of Credits	Core-Course GPA (Total Quality Points/Total Credits)
-----------------------------	--------------------------------	---

Division II Worksheet

This worksheet is provided to assist you in monitoring your progress in meeting NCAA initial-eligibility standards. The NCAA Eligibility Center will determine your official status after you graduate. Remember to check your high school's list of approved courses for the classes you have taken. Use the following scale: A = 4 quality points; B = 3 quality points; C = 2 quality points; D = 1 quality point.
