

Jeffco Public Schools

Dear Parents,

Jeffco Public Schools has endorsed a Jeffco Branded Fundraising Platform in the form of a Mobile App. It's a **Traveling Coupon Book**, found on the App Store (search Jeffco and or iBuddyClub). This a great opportunity to raise funds that will directly impact your student, teachers, classrooms, schools and activities and give back thousands in savings to your friends and family.

The **Jeffco Public Schools "Passport to Savings App"** is Partnered with Entertainment® coupons which are the nation's leader in contracted merchant deals. There are over 71,000 nationally and 3000 in Colorado. The deals stay in the palm of your hand, so the supporters can interact and defray the costs by saving daily anywhere in the USA.

This is an easy to implement individual fundraiser that has the ability to compound the giving, with the multiple income streams and built-in referring features. It can help support our efforts and your child's 24/7/365. Depending on your commitment, the funds can follow your child from grade to grade or activity to activity. You oversee the effort!

By following these easy steps, you and your child can get your own personal fundraising web page at JeffcoWins.com and interact with it daily, weekly or monthly to see your sales and who is following you. Funds are distributed in your child's name monthly.

- 1) Start Your Campaign
- 2) Choose Individual
- 3) Choose My email account
- 4) Find Your School
- 5) Place Activity *Grades Pre-School to 8th must Place Grade, HS Find Activity
- 6) Place Target of 10
- 7) Enter Zip Code
- 8) You may upload a Profile Image or skip and do later
- 9) Check your email,
- 10) Change PW,
- 11) Enter Personal Fundraising Page
- 12) Check out The Sales Training Area & Give Savings!

To raise money, simply send the pre-written letters through the **"Share App Icon"** feature with family and friends around the country. You can do this via text, email, Facebook, Twitter, LinkedIn or any other method you prefer.

Please help and encourage your child to surpass his/her goal of 10 App sales as 10 sales will turn into much more with the built-in refer features. Many of you can help your children reach their goal with just a few emails or even print the "Leave Behind Letter" located on JeffcoWins.com and pass out to neighbors or colleagues, friends or family members.

The "Extra Donation" and "Kick it Back" features generate a GoFUNDme call to action. Since your child is offering hundred\$ and sometimes thousand\$ in Saving\$, the mere \$29.99 cost of the App will be defrayed from their very first few redeems. The **"Extra Donation" at sign up and "Kick it Back"** after coupon redemption allows your supporters to contribute a balanced amount in comparison to savings.

We are all working hard to improve your child's experience in education. The Jeffco Public Schools "Passport to Savings" promotes our community brand and helps young people stay in front of technology, learn about sales and marketing and reach new levels of personal success. Please take just a few minutes to do your part by encouraging and facilitating your child's fundraising efforts.
