Dear Spartan Family:

Welcome to 2017-18 school year! As Fall Sports are underway, we are very excited about the start of the new school year! The experience of building upon a program with rich tradition has been rewarding and something to be proud of. As we enter into another year of competition in class 5A; Region 6, we have certainly enjoyed some success in 2016. Several teams reached the state playoffs and we look to continue building North Springs back into a phenomenal sports program. The focus of our athletic programs is and always will be to provide the very best educational experience for our students. Preparing students for the realities of life, the work place, and the college experience are what I expect from the coaches who assist in molding your students. Take a minute to view our extracurricular handbook that is linked below.

Thank you to our principal, Scott Hanson, the rest of the administrative team, faculty, and coaching staff for their constant pursuit in helping our student athletes to realize their potential both on and off the field of play. Most importantly, we would like to thank you the parents and fans for supporting Spartan Athletics.

GO Spartans!!!

Athletic Registration & Sport Physical Information

The North Springs Athletic Department has partnered with Planet HS to make the process of registering your students for athletics a much smoother and more convenient. Parents and students will now have the ability to complete all of the necessary registration forms for participation in our athletic programs via their computer, tablet, or smartphone. **We will no longer utilize Privity for registration.** This is a faster and more efficient way for the athletic staff, parents, and students to keep track of each student's pre-participation forms. You can visit our athletic website www.northspringsathletics.org and click the "Register for Sports" to begin registration. You will find the "Getting Started Guide", "Quick Account Creation Flyer", and the Physical Examination and Clearance Forms. All forms can be filled out and signed electronically. The only forms to print and upload are the physical examination and clearance forms. It is required for each student to have insurance coverage. If you need to purchase school insurance, the application can be found on our website as well under the "Forms" tab. Students will not be permitted to participate in conditioning, practices, or competitions unless they have an **approved** physical on file via Planet HS. If you have any questions, please contact Athletic Director Lamarr Glenn at glennl@fultonschools.org.
