

North High Athletic Booster Club Membership Application Form

Membership in the Athletic Booster Club is vital to continuing the proud tradition of Saxon Athletics and to maintaining our overall Physical Education facilities. Every family should join, athlete or not, because these funds support all our students in their P.E. curriculum. In addition to all the benefits to our school, each family receives a complimentary window decal and a North High Booster t-shirt with even the basic membership. All student family members also become eligible for any all-league patches, all-CIF patches, and Booster Club scholarships they earn. Only one membership is required per family and all memberships are tax-deductible charitable contributions. Receipts will be issued.

North High Athletic Booster Club Supplemental Information Sheet

Dear Saxon Athletic Booster,

The North High Booster Club welcomes you to another exciting year of North High Saxon Athletics. The Booster Club is comprised of supporters and members of the North family just like you. Your membership in the Booster Club allows our programs to function and keeps our children involved in positive activities during an important part of their lives. It is through dedication and teamwork that this is accomplished. The NHS Booster Club works with the coaches, the administration, and the community to make the athletic programs at North like none other. **Every student, athlete or not, benefits from your Booster Club membership.** No activity is favored over any other. The Board is comprised of representatives from every group. In fact, your participation is encouraged! Meetings are held the first Tuesday of every month in the Athletic Office and are open to every member.

Since 1992 the Booster Club has raised nearly \$700,000 for the various athletic programs through membership and fundraisers. These allocations include: Batting Cages – Softball & Baseball Home Run Fences – Score Boards - Steel Tennis Court Nets & windscreens- Discus Cage – Soccer Goals – Improvements to Gym - Locker Room Improvements - Football Stadium Upgrades – Weight Room Refurbishing – Wrestling Mats -- Riding Lawnmowers for all Athletic Fields - Pitching Machines – Volleyball Poles & Nets - Storage Bins - Pole Vault Equipment - Ice Makers in Training Room – Softball infield dirt -- and many miscellaneous upgrades to fields, equipment, etc. **Every student in PE or athletics benefits every day!!!**

Besides your membership, your help is greatly needed and appreciated in other ways. Please mark below if you are interested and available to help in these ways:

YES! I am interested in helping the Booster Club (please check):

In addition to fundraising event, keeping our facilities, fields and equipment safe, clean and up-to-date is one of our highest priorities and is very costly. It is always a challenge with our aging campuses and lack of District funds. One of the Booster Clubs goals is not only to help financially when needed, but to provide support to our coaches and athletic programs here at North High.

We realize there are many people with specific trades, talents, and abilities in our North High community. The North High Booster Club would like to tap into that resource. If you are able to help in a specific area or just able to help in any way please check below:
