How can you get prepared for HS GOLF?

1. Work on your game with an **Instructor** this offseason! There are plenty of quality teachers in the area who can help you take your swing to a better place.
2. Get your **body in the best shape** possible. Work out, play other sports. GET STRONGER and more flexible.
3. Play in as many **competitive environments** as possible. I have listed some tournaments below that are appropriate for the JR.HIGH golfers to the Varsity and Elite golfer. There are plenty of other tournaments to play in so don't feel like you have to stick to only this list to choose from
4. Play with better players....and learn from them.
5. Play by the **rules**----all the time.
