Membership Application Form

The Owosso Sports Boosters supports our student athletes by investing in equipment, uniforms and fees associated with scholastic sports. All of the funds raised by the Sports Boosters, including membership fees, are used to support Owosso athletics. The Athletic program budget has been very lean the past number of years and Sports Boosters, with input from the Athletic Department, has played a vital role in meeting the needs of our athletic teams.

We are conducting a membership drive to boost the participation of families, especially those with athletes in Owosso sports programs. You can become a member of Sports Boosters by filling in the form below. There is no obligation to join our monthly meetings, but we are always looking for new people to participate in our meetings and provide input on how best to support our student athletes.
