

The mission of the GHS Booster Club is to support Gunnison High School student athletics and activities while encouraging community participation and school spirit.

Hello and WELCOME BACK!!

We hope you had a fantastic summer and are ready to jump back in the saddle for another great year. Some exciting things have been happening with the GHS booster club. We're excited to announce that we now have a board of directors consisting of many community business leaders that are eager to support GHS athletics and activities.

We've come up with some great ways to get our community more involved and excited to support the extracurricular activities at GHS. But we need your help too! The bottom line is supporting our student's takes funds above and beyond what the school district has already contributed. Even more than that, we need your support at events and around the valley as well. We need the world to know that we are proud of our students.

Please consider becoming a member of the GHS Booster Club. GHS Booster Club is now a membership driven organization. We think we've come up with an affordable way for you to not only show your support for our students, but help us reach our goal of supporting the hard work all of these young adults are putting forth.

Please find attached the membership form. If this is something you can help us with, please fill it out and return with cash or a check made out to GUNNISON HIGH SCHOOL and write BOOSTER CLUB in the memo line. You or your student can return the form to Mike Book at any time. If you want to jump in even more, we are committed to having a representative at all home games and events. If you'd be willing to help in that way as well, just check the box and we will get you lined out.

Check out our website at www.ghsathletics.com for information on the booster club and events happening in Cowboy nation. Thank you again for supporting our students, they're worth it!

Sincerely

GHS Booster Club Board of Directors

2015/2016 Membership Form

**Yes! I want to support Gunnison High School extracurricular activities.
Please sign me up at the following level:**
