MT. HEALTHY CITY SCHOOLS –CODE OF CONDUCT FOR ATHLETES
PLEASE READ CODE AND SIGN BELOW

The following regulations are a part of every coach's code of conduct for athletes. In addition to this, the coaches will have statements prohibiting profanity and insubordination. However, we see the circumstances surrounding those offenses must be examined. Therefore, the coach must use his or her own judgment in determining discipline which should be consistent with the school's overall disciplinary code. The head coaches have agreed upon the following regulations FOR ALL SPORTS AND LEVELS.

- Student –athletes must always remember that they are governed by the school Code of Conduct at all times. Suspension from school excludes students from participating in any extracurricular activity during the term of the suspension.
- Unexcused absences from practice or games will result in a review of the athlete's total performance and he/she may be placed on probation, suspended from the squad for a period of time, removed from the team or be subject to the other action(s) deemed necessary and the proper by the coach.
- The use of tobacco, illegal drugs, alcohol, anabolic steroids or illicit performance enhancing chemicals will cause expulsion from the team.
- Student's hair should be clean and well-groomed and styled in such a manner that it does not affect their safety or visibility when participating in a sport. Facial hair (beards, mustaches, etc.) may be prohibited by individual coaches.
- The wearing of jewelry is prohibited during practices or games.
- Parents, guardians and students should be aware that participation in any sports activity carries with it a risk of injury or even death in rare cases. Every attempt will be made by the Athletic Department to provide the best and safest equipment and instruct students regarding its proper use. Despite these precautions, those participating must be aware of the potential risks involved. Parents and athletes will be required to read and sign this Code of Conduct for All Athletes and their signature will be evidence of their understanding and agreement.
- Any student who is removed from a team's roster as a result of disciplinary action or who voluntarily quits a team after the season has begun shall forfeit the right to any awards connected with that sport and is ineligible to participate in other sports or conditioning programs until the conclusion of that sport's season.
- Any students convicted of breaking community laws may be removed from the squad.
- All equipment issued to an athlete by the coach or the school for a specific sport is to be returned at the conclusion of the season in the same condition as it was issued. The athlete is responsible for the care of all equipment issued to them and must pay for the equipment that is not returned or damaged through their own negligence.
- Before any item is attached, added to or worn with a uniform that is issued to an athlete for a specific sport, the athlete must secure permission from the coach. Coaches have the final decision making power regarding what constitutes the proper uniform for his/her team.
- An athlete will be denied participation in a sport from one season to the next if equipment from a previous season is not returned or paid for or if the athlete has outstanding sports fees from the previous season(s).
- Coaches and players represent the Mt. Healthy City Schools when traveling to an away contest. Athletes and coaches should be dressed in such a way as to reflect pride in themselves, their team and their school. Coaches may require a particular dress code to be followed by their team members during the season.
- An athlete must be in attendance at school for at least four (4) class periods in order to participate in practices or games that day unless excused by the Principal.
