Good Afternoon!

The girls have been working hard and are off to a great start!! I just have a couple of announcements....

There have been some changes to a couple of the schedules, so please take a look at scastars.com for any additions or edits. The addresses to the location of games/meets are on there as well. If you see any discrepancies please feel free to send me an email.

There are still quite a few people that have not signed up for VNN alerts. I know you will get information from you daughter or coach, but these alerts will be official from the athletic office. Register by selecting the link → <https://alerts.getvnn.com/>

WE ARE IN NEED OF PICTURES!! We are looking to add quite a bit more pictures to the athletics website, twitter and our new Instagram account and we could use your help. If you have some great pictures and you want to see your daughter featured on any of the platforms, **please send them to us by using the link below** (link can also be found under 'STARS HQ' tab at scastars.com). You DO NOT need to have a Dropbox account to submit pictures. Thank you for all your help!

Good Morning,

One more day until we kick off the 2017 fall sports season!! I know everyone has been working hard to get ready for the season, so I am excited to get it underway. I just have a few reminders...

First, make sure you are all cleared through PRIVIT. I need current year physicals (dated on or after 4/15/17) in order for you athlete to participate on Wednesday. Incoming freshman parents, you have done an awesome job so far getting everything filled out! I know this is a little different then you are used to, so I applaud you. Current parents, all you need to do is update any info that may have changed and re-sign the documents. Make sure to select a team or I won't be able to see your athlete. Feel free to email me and I can help you get it squared away.

Secondly, practice schedules are posted for tryouts, the week before school and once school begins, so be sure to select the link below.

Lastly, we are having an all sports parent meeting tonight @ 6:30 to go over athletic department policies and procedures. We will talk about PRIVIT briefly and take questions for any last second assistance. You may also bring hard copy physicals and I will upload them for you. In addition, the fall sport coaches will

be here tonight to go over their team specific policies and procedures. If you do not have a fall sport athlete you can leave after the group session. We will meet in the dining hall, so you can park in the north lot and enter through the double doors to the right of the garage.

Look forward to seeing you tonight. Feel free to email me with questions!
