

EASTERN CROSS COUNTRY

\$100 BUSINESS LOGO SPONSORSHIP

The Eastern Cross Country team is committed to excellence! Does your business invest in excellence?

Our team has a great way for you to show your support and enthusiasm for high school students who are committed to excellence. It is also an excellent way to have an advertisement for your business or company spread through the city of Louisville and surrounding counties.

Cross Country Team Benefits from Your Business Sponsorship:

- Proceeds from logo purchases (\$100.00) will primarily be used for this upcoming season budget which consists of team expenses, including travel costs, banquet, meet equipment, and other items. Your advertisement logo on our t-shirts and banner helps reduce the costs for the athletes and their families.

Business Benefits for Logo Sponsorship:

- Your business name or logo will be placed on the back of a t-shirt that our entire team (generally 70+ student athletes) will be wearing weekly.
- Your business name or logo will be placed on a banner that our team will display throughout the season.
- Each business will receive a t-shirt with all the received logos as a thank you gesture if requested!

DEADLINE

- We ask that all paper work, logos, and payment be turned in by August 15th, 2016

Please complete form:

Business Name: _____
